Admissions Policy

Alpena Community College grants admission to all persons who have earned a high school Diploma, Certificate of Completion or GED, or who are 18 years of age or older, and who demonstrate the ability to benefit from a particular program of study. Ability to benefit may be demonstrated by those who:

1. Have satisfactory skills* as measured by institutional placement testing for reading, language and numerical skills or
2. Can produce Test of English as a Foreign Language (TOEFL) test score results of 500 or better when coming from a non-English speaking country.

The age requirement is waived for a high school student who:

1. Is a dually enrolled high school student* as provided for by the State School Aid Act, as amended, or

2. Is certified as having attained junior status toward graduation as determined by the high school or the home schooling association issuing the diploma. College course enrollment will be determined in accordance with the Alpena Community College ACCUPLACER (previously Compass) placement test results for reading, language and numerical skills.

* Interested high school students should contact their high school principal or guidance counselor for further information.

This admissions policy applies to admission to the College only and is intended to assure students of both opportunity and quality in programs. Admission to a specific curriculum or course is based on student interest, achievement, and test scores necessary for preparation to enter a specific program or course.

Repetitive Course Enrollment Policy

Alpena Community College credit courses may be repeated only once where any grade (i.e., A-W) has been earned. Specifically, if a course has been taken twice and any grade was earned, written permission from the Registrar’s Office (and the Financial Aid Office, if applicable) is required prior to a third enrollment. The highest grade in the course will be used in calculating the student’s grade point average.

Important Information for Students Receiving Financial Aid:

Courses taken for Audit and courses repeated more than once after previously passing the course do not count as part of a student’s financial aid enrollment status, and can affect your financial aid award.

Effective Date: Spring 2012 Semester

Placement Testing Schedule

The ACCUPLACER placement assessment is required for:

- All new Alpena Community College students who do not have A.C.T. Reading, English and Mathematics subscores of 18 or higher and wish to register for more than one course** (Note: placement tests will only be given in the subject areas where subscore minimums were not met) or
- All new Alpena Community College students who do not have SAT Reading test scores of 25, Writing and Language test scores of 25 and Mathematics test score of 26.5 or higher and wish to register for more than one course* (Note: placement tests will only be given in the subject areas where sub-score minimums were not met.)
- Have not earned a minimum of 12 college credits including at least one college level course in either English or Mathematics and
- All students who enroll for the first time in an English or mathematics course.

The ACCUPLACER Placement Test replaces the previously used Compass Test and is strongly recommended for all students, regardless of course load or field of study.

New students must submit an Application for Admission to the Admissions Office before attending assessment. Please bring a valid photo ID with you to the testing room. The E-Write is the only portion of the test which is timed. Examinees should allow approximately 2 hours.

No food, drinks, electronic communication devices are allowed in the testing room. Pencils, pens, calculators and paper are provided if needed.

Alpena Campus Placement Testing Schedule

The Alpena Campus has walk-in hours each week day; other testing times are available by appointment. To schedule an appointment contact Kim Montague in the Testing Center at 989.358.7209.

Summer 2017 Online Classes

Do you wish to take classes but are unable to attend at standard times? Online courses make it easy for you to take classes over the Internet when it's convenient for you. Not every student is a candidate for distance education, but those with an extra measure of motivation and self-discipline may find the convenience appealing. For more information regarding Internet-based classes, contact the instructor.

Check out ACC's New Program:

Electrical Systems Technology!

Alpena Community College has always been a great way to start your higher education and earn your associates degree.

Starting this fall, you can now get a bachelor's degree right here in Alpena from ACC!

The Electrical Systems Technology program is designed to train individuals to install, modify, maintain, troubleshoot and perform functional tests on electrical grid systems equipment.

A significant percentage of the workforce in the electrical power distribution industry is nearing retirement age, creating job opportunities in a growing field. This unique program features coursework in:

- Electrical Studies for Trades
- AC/DC Fundamentals
- Power Systems
- Utility Regulations
- Electric Power Generation

The cost for the 100- and 200-level courses is the same as the current ACC tuition rate. The 300- and 400-level courses will be charged at \$325 a contact hour, much lower than the tuition rate that you would pay at four-year university!

For more information about ACC's Electrical Systems Technology program, contact ACC's Director of Admissions, Mike Kollien, at 989.358.7339, or Instructor Steve Lewis at 989.358.7363.
