ADOPTED APRIL 22, 2009

- Home owners/renters/residents must park their vehicles, trailers, and other means of gasoline/electric powered conveyance (hereinafter described as “vehicle(s)”) in their garage spaces. Designated surface parking spaces are to be used for overflow parking only.

- Vehicles parked within authorized overflow areas are to be locked, and will be parked at the owner's risk.

- Curbside parking, or any other placement of vehicle(s) that would inhibit fire, police, or any other safety vehicle from access, is prohibited.

- Guests must park their vehicles in guest parking only, or in a garage space with permission from the homeowner(s).

- No commercial vehicles (including trailers of any type or other similar means of transportation) may be parked in any location in Paseo, unless the vehicle(s) are supporting an active maintenance or service call to a Paseo residence.

- All vehicles parked in designated surface parking spaces (i.e. guest parking) must be moved at least once every 48 hours.

- Performing major vehicle repairs and/or maintenance of vehicles is not permitted outside of garages or where visible from neighboring properties.

- All vehicles must be operable and display current state registration tags.

- Vehicles must not pose any pollution or environmental risks (including, but not limited to, leaking fluids, excessive noise beyond that which would be produced by a standard factory vehicle, etc.) and vehicles are not permitted to be stored on the property, other than in garages.

- Vehicles are not permitted to be parked along private drives, in fire lanes, or in the alleyways between the homes.

- No vehicle may be parked so as to block garbage or recycling receptacles

- Vehicles may not park in front of or block garage doors within Paseo at any time.

- Only vehicles that display valid and proper placards or licenses are permitted to park in handicapped-designated spaces.

- Oversized vehicles are prohibited from parking within Paseo.

- All garage doors are to be closed except for ingress and egress.
- A first-time violation of this policy will result in a one-time courtesy notice. A subsequent violation will result in a one-time warning being placed on a vehicle's windshield. Thereafter, additional violations will result in the vehicle being towed.

- All vehicles in violation of this policy will be towed and/or immobilized at the owners' risk and subject to storage fees.

- All towing signs will include contact information for the towing company and/or the Parkside office.

- Paseo residents are advised to ensure that their visitors and guests are apprised of Paseo parking codes. Paseo residents are to encourage their guests to contact the Parkside Association office or phone link to secure a visitor parking pass.

**Vehicles that are in violation of any of the foregoing guidelines are subject to fines, immobilization and/or towing. Any costs or damages incurred as a result of a vehicle being towed are the responsibility of the vehicle owner.**
