

# Accessing E-Resources from Berkley Public Library

You can access lots of great content from home—books, movies, music, magazines, and more! You'll need your library card number and PIN; try 1234 or the last 4 digits of your phone number if you don't remember your PIN. If that doesn't work or you have any other problems or questions, contact the library via Facebook Messenger or email us at [library@berkleymich.net](mailto:library@berkleymich.net) and we'll help you get it figured out.
