Exhibit A

- One Dell Monitor model 1905FP, serial number 041595-11, in the possession of the Police Department. Value is negligible as monitor is broken.

- Two black rain barrels currently in the possession of the Town. Staff does not know how the rain barrels were acquired but is asking to donate them to the MS4 partnership to be used for educational or promotional purposes. The barrels currently take up a lot of storage space. Value of each rain barrel is estimated to be less than $50.

- Multiple Founders Day glasses from 2016 in possession of the Town. These were promotional cups that did not sell and are currently taking up storage space. Value is negligible as they are dated and we have not done another Founders Day festival.
