Cumberland Town Council

Resolution 2016-2

A Resolution Adopting Risk Management Plan

Whereas, the Cumberland Town Council (“Council”) previously appointed a committee to prepare a risk management plan in an effort to assess and minimize various risks facing the Town, including improving public safety, creating a safer work environment for the Town’s employees, reducing money paid as a result of claims against the Town, and increasing the Town’s budget stability; and

Whereas, the committee has prepared and presented to the Council the proposed Town of Cumberland, Indiana Risk Management Plan, dated January 1, 2016 (“the Plan”), which is attached as Exhibit “A”; and

Whereas, the Council has considered the Plan and finds that the policies and procedures contained in it are in the best interests of the Town, its employees, and its citizens; and

Whereas, the Plan should be approved and adopted and the committee should be authorized to take the steps necessary to implement the Plan;

It is therefore resolved that the Cumberland Town Council adopts the Risk Management Plan and the risk management committee is authorized to take the necessary steps to implement the Plan.

This resolution is adopted this 6 day of April, 2016.
