APPLICATION FOR FINAL SUBDIVISION PLAT - MAJOR

A major subdivision is defined as the division of a tract of land into more than 3 lots or less for residential, commercial, or industrial use. Applications for preliminary subdivision plat require a public hearing before the Plan Commission.

The Plan Commission schedule shows the deadline for preliminary consultations for each filing deadline. At this meeting the applicant should provide a sketch showing the preliminary details of the project. The applicant's engineer is also encouraged to attend this meeting. There is no fee for this meeting.
