applica Please i each sta whether evidence FAILU	s. The burden of proof is on the proponent therefore it is required that the application provides to support the request in this application. The standards and criteria that are relevant to this sion will be provided by the staff and are considered to be a part of this application form. The read the standards and criteria carefully and provide factual responses and evidence to address and are findings must be sufficiently specific to allow the decision maker to determine your request meets the relevant standard. Please attach your written findings and supporting to this application. RE TO PROVIDE THE REQUIRED FINDINGS WILL PREVENT THE APPLICATION BEING PROCESSED AND IT WILL BE RETURNED AS BEING INCOMPLETE.
applica Please I each sta whether evidence FAILU FROM	s to support the request in this application. The standards and criteria that are relevant to this ion will be provided by the staff and are considered to be a part of this application form. The standards and criteria carefully and provide factual responses and evidence to address and are follows: These findings must be sufficiently specific to allow the decision maker to determine your request meets the relevant standard. Please attach your written findings and supporting to this application. RE TO PROVIDE THE REQUIRED FINDINGS WILL PREVENT THE APPLICATION

With the Curry County Department of Community Development-Planning Division to be reviewed and processed according to State of Oregon and county ordinance requirements. My (our) signature (s) below affirms that I (we) have discussed the application with the staff, and that I (we) acknowledge the following disclosures:

- (a) I (we are stating all information and documentation submitted with this application is true and correct to the best of my (our) knowledge.
- (b) I (we) understand that if false information and documentation has been submitted and the decision is based on that evidence, the decision may be nullified and the county may seek all legal means to have the action reversed.
- (c) I (We) understand any representations, conclusions or opinions expressed by the staff in preapplication review of this request do not constitute final authority or approval, and I (we) am (are) not entitled to rely on such expressions in lieu of formal approval of my (our) request.
- (d) I (We) understand that I (we) may ask questions and receive input from staff, but acknowledge that I (we) am (are) ultimately responsible for all information or documentation submitted with

	this applicatio . (We) further understand staff cannot legally . the county to any fact or circumstance which conflicts with State of Oregon or local ordinance, and in event a conflict occurs, the statement or agreement is null and void.
(e)	I (We) understand that I (we) have the burden of proving that this request meets statutory and Ordinance requirements, and I (we) must address all of the criteria that may apply to the decision being made. The criteria for approving or denying this request have been provided to me (us) as a part of the application form.
(f)	I (We) understand the staff is entitled to request additional information or documentation any time after the submission of this application if it is determined as such information is needed for review and approval.
(g)	I (We) understand this application will be reviewed by the Oregon Department of Land Conservation & Development (DLCD) and possibly other state agencies as part of the statewide land use coordination process. I (We) understand that agencies that participate in the review process have the legal right to appeal the approval of the request.
(h)	I (We) understand that it is my (our) responsibility, and not the county's, to respond to any appeal and to prepare the legal defense of the county's approval of my (our) request. I (We) further realize it is not the county's function to argue the case at any appeal hearing.
(i)	I (We) understand that I (we) am (are) entitled to have a lawyer or land use consultant represent me (us) regarding my application and to appear with me (or for me) at any appointment, conference or hearing relating to it. In light of the complexity and technical nature of most land use decisions, I (we) understand that it may be in my best interests to seek professional assistance in preparation of this application.
(j)	The undersigned are the owner (s) of record for the property described as:
	Assessor Map(s) T 37S R 14W
	and Tax Lot(s) 1501
	in the records of Curry County.
	MUST BE SIGNED BY ALL PROPERTY OWNERS OF RECORD, or you must submit a
	ent signed by each owner of record who has not signed the application form, stating that the owner
has authorized the	nis application.
