Subject: Budget Message

To: The Citizens of Curry County

I am pleased to submit for your consideration the 2021-2022 proposed annual budget for Curry County.

Estimated revenues for the forthcoming budget are compared to the current year as shown in the table below. Revenues from the general fund are expected to be 13% lower compared to last year. These projections are as follows:

Fund #	Description	2020-2021 Approved Budget	2021-2022 Proposed Budget	Difference FY21 vs. FY22
1.10	General Fund			
	Board of Property Tax Appeals	1,000.00	1,000.00	-
	Elections	34,310.00	3,360.00	(30,950.00)
	Treasurer's Office	7,900.00	9,700.00	1,800.00
	Tax Collection	48,650.00	49,500.00	850.00
	Assessor	371,350.00	359,350.00	(12,000.00)
	District Attorney	22,000.00	22,000.00	-
	Recording	169,500.00	197,800.00	28,300.00
	Juvenile	141,400.00	216,900.00	75,500.00
	Non-Departmental	9,124,500.00	7,784,259.00	(1,340,241.00)
	Total General Fund	9,920,610.00	8,643,869.00	(1,276,741.00)

The deficit in non-departmental revenues make up the bulk of the difference compared to last year. This shortfall is due to \$1 Million in Payment in Lieu of Taxes (PILT) funds that were budgeted during the current year but never materialized. Additionally, the road fund began the year with almost \$2 Million less than what was projected rolling over from the previous year and therefore, has fewer resources overall by \$3.8 million. On a more positive note, Transient Lodging Tax (TLT) is up \$600,000 more than expected and revenues from the vacant property registration which started last year are higher than expected.

Proposed expenditures for the forthcoming budget year are provided in the following table on a comparative basis with this year's adopted budget.

TOTAL FUNDS		67,415,069.60	65,611,753.76	(1,803,315.84)

The budget provides for normal progressive step increases for those not presently at the top of their position class range, and for COLA required by union contracts. Proposed positions being added to the budget are: 1) deputies (4) in the Sheriff's patrol fund. 2) Full time maintenance worker. 3) Part time employee in Community Development changing to full time status. 4) Part time employee in Water Safety changing to full time. 5) Part time fair employee changing to full time. 6) Deputy Treasurer being added at 8 hour a week. This adds a total of \$606,667.00 to the proposed budget.

Materials & Services will see a 2 percent increase overall compared to last year. However, general fund departments range from a 23 percent decrease to a 45 percent increase. Additionally, admin services are up 9 percent due to increase in maintenance needs to the county's aging building. Without this increase the admin departments would see a decrease in requested funding. General expenses in the Road, Clerk's Record and Law Library fund are all down compared to last year.

Contingencies have increased by 47 percent due to increased rollover funds in non-general fund accounts. Reserves have decreased by about \$2.9 Million due to the road capital improvement fund being down.

The budget is balanced by using a property tax receipts, federal and state grants, fees from operations and approximately \$2.5 Million dollars from the road fund. The table below show those departments using general and road fund monies.

Department	General Fund Transfer	Road Fund Transfer

Civil/Criminal/Patrol	636,157.00

Tax Collection	186,301.00

Com Dev Veterans	121,109.00

Com Dev Emergency Svcs	77,396.00	
Event Center / Fair	44,783.00	
Public Health/Human Svcs-Admin	22,674.00	
Marine Patrol	18,118.00	
Com Dev Building	11,304.00	
BOPTA	4,588.00	
Towers Maint	426.00	
Total	5,990,145.00	2,560,296.00

There are a few changes to the funds this year. The most significant change is in Public Health as the County is transitioning these services to the state. I have estimated about \$450,000 to be carried over from the current year. The state may request a portion of these fund be returned for the small amount of time some of the programs weren't staffed. With the absence of public health, a greater portion of Admin and Occupancy fees have been distributed to existing departments. A new fund has been created for the road department by splitting out General Equipment Self-Insurance, General Vehicle Services and Vehicle Replacement departments. This is for state reporting purposes only. Also, Emergency Services has moved from Community Development Fund to the Sheriff's Fund.

As the county is faced with declining federal monies and contemplates using road funds, some possible additional revenue sources are aggressive lands sales and pursuing additional grants. Furthermore, forming a revenue committee could be useful to brainstorm ideas to find new revenue streams and increase existing streams.

TOWERS

The Towers Fund is the responsibility of the Road Master, an appointed position. The fund has two sub-funds:

- Operations & Maintenance
- Capital

The towers the county is responsible for include the county's emergency radio communication system critical for all public safety, road, emergency and 911 communication.

The Operations & Maintenance sub-fund pays for electricity and fuel for general operations of the agencies that have hardware equipment in the communication shelters. It also pays for all hardware systems maintenance and repair. The agencies include, but are not limited to, Oregon State Police, Bonneville Power, Coos Forest Patrol, Gold Beach Fire, Curry General Hospital, Curry County Sheriff, Curry County Search & Rescue, Curry County Roads, and 911.

The Capital sub-fund was created for the purpose of replacing old towers and their equipment. The county contracts some of the services needed to a private contractor.

FEDERAL GRANTS

The county relies on grant monies to provide some of their services. The fund was created to make grant management easier, versus having the grants incorporated into the department budgets.

RESERVE FUND

The reserve fund is basically used to cover specific employments costs. The fund has two sub-funds:

- Unemployment Self-Insurance
- PERS

The Unemployment Self-Insurance sub-fund is a reserve created to cover the unemployment liability should the county have a financial setback requiring a substantial layoff of the organization's workforce. All county departments that have payroll are assessed a set percentage (.75%) of their total payroll costs as determined by the Board of Commissioners.

The PERS sub-fund is designed to off-set the potential unfunded liability for the county in the Oregon Public Employee Retirement System by assessing all county departments having payroll a set percentage of their total payroll costs as determined at the discretion of the Board of Commissioners. (Currently no percentage is being assessed.)

CURRY COUNTY COMPENSATION BOARD

2021 Recommendations

Curry County Compensation Board members Bruce Raleigh and Marcella Waetermans met on May 5, 2021 @ 1:00pm to review and make recommendations regarding compensation for Curry County Elected Officials. Upon arriving at the meeting we learned that Kevin McHugh, also a member of the Compensation Board, had recently resigned. Bruce Raleigh was elected chair. The Board reviewed material provided by County staff consisting of Elected Official 2019 Salary Information as reported to the Association of Oregon Counties, current and historical salary data for Curry County elected officials and salary data for several other related Curry County positions. Current compensation information for several other counties in the state was also provided to the Board.

The Board did not take into account Curry County's current financial issues, as ORS 204.112 states that the Compensation Board is to recommend a fair salary for each Elected Official's position. The Compensation Board believes that Curry County officials are underpaid when compared to relevant peer groups in similar counties.

The following are our recommendations:

<u>Elected Official</u>	<u>Peer Average(2019)</u>	<u>2019 Avg + 2%</u>	<u>Current Salary</u>	<u>Recommended Salary</u>	<u>Increase</u>
Sheriff	\$94,376	\$96,264	\$97,513	\$102,389	\$4,876 (5%)
Assessor	\$77,453	\$79,002	\$69,564	\$79,500	\$9,936 (~14%)
Clerk	\$74,988	\$76,488	\$68,662	\$77,000	\$8,338 (~12%)
Treasurer	\$74,988	\$76,488	\$68,047	\$77,000	\$8,953 (~13%)
Commissioner			\$68,463	\$71,202	\$2,739 (4%)

We, the Curry County Compensation Board, urge the Commissioners and the Budget Committee to receive this unanimous report in the spirit in which it is intended.

Respectfully,

Bruce Raleigh and Marcella Waetermans

Curry County Compensation Board Members
