Section 1.030. Definitions.

The following words and phrases, unless the context otherwise requires, shall mean:

time) from which the individual derives satisfaction.

119. Recreation, High Intensity. Recreation which uses **or includes** specially built facilities **like activity center, lodge, club house or community gathering hall**, or occurs in such density or form that it requires or results in a modification of the area or resource; i.e., campgrounds, golf course, and marinas.
120. Recreation, Low Intensity. Recreation which does not require developed facilities and which can be accommodated without change to the area of resource; e.g., boating, hunting, hiking, wildlife photography, and beach or shore activities.
121. Recreation Vehicle. See trailer.
122. Recreational Vehicle Park/Rural. A commercially developed area devoted to overnight temporary use for vacation or recreational purposes and located outside of an urban growth boundary but within an area for which a Goal 2 exception to Goals 3 and/or 4 has been approved. Sites within a recreation vehicle park/rural may be occupied by tents, travel trailers or recreational vehicles.
123. Recreational Vehicle Park/Urban. A commercially developed area devoted to overnight temporary use for vacation or recreational purposes and located within an urban growth boundary. Sites within a recreational vehicle park/urban may be occupied by tents, travel trailers, or recreational vehicles.
124. Restore. Revitalizing, returning, or replacing original attributes and amenities, such as natural biological productivity, aesthetic and cultural resources, which have been diminished or lost by past alterations, activities, or catastrophic events. For purposes of Goal 16 estuarine restoration this term means to revitalize or reestablish functional

characteristics and processes of the estuary diminished or lost by past alterations, activities, or catastrophic events. A restored area must be shallow subtidal or an intertidal or tidal marsh area after alteration work is performed, and may not have been a functioning part of the estuarine system when alteration work begins.

125. Restoration, Active. Involves the use of specific positive remedial actions, such as removing fills, installing water treatment facilities, or rebuilding deteriorated urban waterfront areas.
126. Restoration, Passive. Is the use of natural processes, sequences, and timing which occurs after the removal or reduction of adverse stresses without other specific positive remedial action.
127. Right-of-Way. Land reserved, used, or to be used for a highway, street, alley, walkway, drainage facility or other public purpose related to a transportation improvement.
