Local Option Tax Levy for Funding Port Orford Police Department.

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the city levy \$1.80 per \$1000 of assessed value for police operations for five years beginning in FY 2019-2020? "This measure may cause property taxes to increase more than three percent."

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The purpose of this local option tax measure is to fund the operations of the City of Port Orford Police Department. The current local option tax revenue measure expires June 30, 2019. If this local option tax measure before you is not enacted, then the City will be forced to eliminate the Police Department, since there are insufficient property tax revenues to pay for general City operations and fund the Police Department. The local option tax imposed by this measure will be for five years beginning with the 2019-2020 fiscal year. It is estimated that the local option taxes to be raised each year will be \$226,297 in FY 2020, \$235,349 in FY 2021, \$244,763 in FY 2022, \$254,553 in FY 2023, \$264,736 in FY 2024 for a total of \$1,225,698. "The estimated tax cost for this measure is an ESTIMATE ONLY based upon the best information available from the county assessor at the time of estimate."
