This measure is a submission to the voters from the Gold Beach City Council. It proposes the adoption of an ordinance to impose a tax on motor vehicle fuel dealers. It provides for the administration, enforcement and collection of the tax.

The tax is imposed on dealers when they sell or distribute motor vehicle fuel within the City. Most commonly, the tax will be paid by gas stations for the sale of gasoline and diesel. The proposed ordinance creates a tax rate of one cent per gallon throughout the year and an additional three cents per gallon from May 1 through October 31.

The net revenue collected from the tax will only be used for the construction, reconstruction, improvement, repair, maintenance, and operation of streets and transportation infrastructure within the City of Gold Beach. This revenue will help the City reduce its backlog of street repairs and will also help the City maintain the City's street system. If approved by the voters, the ordinance would take effect January 1, 2019.
