Information on COVID-19 from the Denville Health Department

With a vast amount of information being shared online and through social media, much of it not necessarily accurate, the Township of Denville wanted to remind everyone that the best source of information regarding the COVID-19 coronavirus disease is the Center for Disease Control's COVID-19 website and/or the NJ Department of Health’s COVID-19 website.

https://www.cdc.gov/coronavirus/index.html - Center for Disease Control

https://www.nj.gov/health/cd/topics/ncov.shtml - NJ Department of Health

In addition, we would like to share with you the following fact sheets regarding COVID-19 (see attached images):

Coronavirus Disease 2019 (COVID 19) – Prepared by the Township of Denville Health Department

Share the Facts About COVID-19 – Prepared by the Center for Disease Control

Symptoms of Coronavirus Disease 2019 – Prepared by the Center for Disease Control

Stop the Spread of Germs – Prepared by the Center for Disease Control

Please follow the guidelines provided in the above fact sheets to better protect yourself and your loved ones from contracting the disease. The State of NJ has also established a COVID-19 Information Call Center. They can be reached at 1-800-222-1222 for additional information.
