

East Bay Charter Township
Board of Review

East Bay Township is seeking individuals interested in serving as a member on the Board of Review. The Board of Review is a panel of three citizens from the community, along with two alternate members.

The Board of Review meets three times each year, March, July and December. The March Board of Review involves listening to property tax protests and generally requires a commitment of at least three days. July and December Board of Reviews are completed in less than one day each.

Board of Review members should be citizens interested in the public good with a goal of fair, just and equitable property tax administration. Members need not necessarily be experts in the valuation of property or have a thorough knowledge in tax law. It is more important that members have good judgment and the ability to listen carefully to all sides of an issue before making a decision.
