

Help Improve the Park

Built in 2006

100% Funded from Donations

Help make Hund Platz a better place for your K9 child to run and play with other friends. We want to improve the park and add more amenities (water fountain & shade) to make the park even more enjoyable. Donations are tax deductible.

As a sign of our thanks for your donation (\$50 minimum) we will engrave a stainless steel bone plaque, that will hang on the fence of the Frankenmuth Hund Platz!

Please make checks payable to: "City of Frankenmuth"
