LAKE Management-

-CLMP Lake weed training July 15-two PLPOA-Lon Nordeen, Catherine Roberts, two CLMP Angela De Palma and Paige Felice, 1 CROW-Karen Flahie, good event!

-Lake Improvement Project-Aquest working on LakeScan report, **-Dr. Doug Pullman, Aquest CEO commented: "The Pleasant Lake Management Team did an inspection in**

early June 2015 and found the invasive weeds to be quite heavy in Pleasant Lake. So we tailored the treatment to suppress not only invasive weeds but maintain the stability of the ecosystem. My later LakeScan™ Section 8 plant community survey confirmed this goal was achieved with good results. Pleasant Lake is one of the few in your region without Zebra Mussels and Starry Stonewort and one of our management program objectives is to try and keep it that way”
