3. **Lake Management Report-**
 - a. Educational Opportunities- Lon
 - b. Other Lake Management info - Lon

4. **Old Business** – PLPOA Board members need to be more diligent in going to Township Board meetings – sign-up sheet to be passed around. *It was motioned and approved that whoever is hosting the PLPOA board meeting for that month also attend the Township board meeting*

5. **New Business**
 - a. **Riparian Magazine rate increase:** The Riparian magazine new annual subscription rate has increased by 50% from \$8.00/yr. to \$12.00/yr. This is their first increase in 10 years. We need to discuss and decide, 1) do we want to continue to include the Riparian subscription as part of our annual PLPOA membership fee and if so 2) should we increase our annual PLPOA membership fee to offset this additional expense and if so by how much?
It was decided that we would only renew the subscription at the \$8 rate for Winter and Spring issues and then have Association members vote at our Annual Meeting on whether to continue the subscription at the higher rate.

Next meeting on October 15 at Stan Parker's house.
