Old Business

1) Stoneco extraction renewal application. We received the completed application but tabled it until we have time to review the completed application and also have the Engineers and Planners review it.

2) Zoning Ordinance update. We began on section 5.104 Greenhouse. Once again we had a lot of good discussion and suggestions. Planner DeGroot is going to rewrite one section so that it matches what we have in the table. We will begin next time at Section 5.201 A.

New Business

1) C & T Materials update from the Township Board. They had an auction on July 28. The lease was not auctioned off. Only one person was interested in it. The Township has had problems with the haul route and also mining too close to Steinbach Road behind the owner's home. We need to contact the Township Attorney, Mark Redding with our questions before we proceed.

Reports: We did not have any.

Audience Participation: Nothing

A motion was made by Lindemann with support from Ochs to adjourn the meeting. Motion passed. The meeting was adjourned at 10:00p.m.

Respectfully submitted,

Carol Ann Huehl, secretary
