The entire board received a letter from a township resident's attorney regarding the home being built at 11240 Hieber Rd. The board is working with the township attorney and planner regarding the situation. Consumer's Energy will be conducting a safety exercise at the Freedom Compressor station this month. This exercise will involve internal employees, county and township emergency personnel and elected officials have been invited to an off-site meeting to learn about Consumers preparedness activities. A letter was received from Jessica Fahlgren asking the board to consider a long-term rental policy/ordinance. The planning commission board is reviewing the lake district, and we may need to look at the lot sizes around the lake. This will be added to new business for discussion on GIS mapping around the lake.

7. Public Comment: Lon Nordeen shared that the PLPOA held their annual meeting on Sunday with 40+ in attendance. It was a successful event with representatives from Consumers Energy, Theo Eggermont and Jaclyn Bates, Washtenaw County Environmental leaders, to review Pleasant Lake Special Assessment District progress 2021-2022 and septic system issues, and Jared Mauch Washtenaw Fiber Properties LLC about bringing High Speed Internet to Freedom Township.

Horning Land Release of PA116- The Horning Family is selling 18.037ac. to Consumer Energy and needs to have the 18.037ac removed from the PA116 land protection act for the sale to be finalized. The State requires a resolution from the local unit of government recommending this request.

Motion by Huehl supported by Layher: to adopt resolution 2022-08 of a partial termination of a farmland development rights agreement. The Freedom Township Board hereby approves the request to release the following described piece of property from said Farmland Development Rights Agreement, 18.037ac. of the 87.76 total acres of parcel # N-14-21-200-002 and that the Township Board hereby certifies that relinquishment is in the public interest as described in 3611a. (1) (b) (i) of Part 361 of the Natural Resources and Environment Protection Act.

Roll call vote was unanimous. Aye: Bristle, Lindemann, Layher, Schaible, Huehl Nay: none **CARRIED**

Barn Sanctuary Property Tax Exemption- The Barn Sanctuary has bought a farm on Ellsworth Road and have filed for a property tax exemption. The Freedom Township board needs to make a recommendation to the assessing office by the end of the year to approve or deny the exemption request. In determining whether a taxpayer is qualified for the exemption, a three-part test is applied: 1. Is the real estate owned and occupied by the exemption claimant? 2. Is the exemption claimant a nonprofit charitable institution? 3. Is the buildings and other property thereon occupied by the claimant solely for the purposes for which the claimant was incorporated? Discussion was held around these factors and some questions came up that need to be answered by the township assessing office.

Motion by Lindemann and supported by Layher: to contact the assessing office and table discussion on the Barn Sanctuary property tax exemption application until we can gather more information.

Roll call vote was unanimous. Aye: Schaible, Huehl, Bristle, Lindemann, Layher Nay: none **CARRIED**
