Good Afternoon:

I wanted to share with you the email I sent to businesses that had previously applied for MEDC grants. The document is also being sent out through the Chambers constant contact list and added to the Chamber Website (COVID Tools). I will be going on the radio on Wednesday to also try to get the message to as many businesses as possible. Every business should take advantage of the revised PPP program through their local lender.

Best Wishes,

Good Afternoon:

I wanted to make you all aware of Financial Assistance that is available to help your business through the COVID-19 Pandemic. I have attached a 1 page guide to all of the programs, there is a link on each program for more information. I would encourage you to review all that apply to your business. The Michigan Small Business Survival Grant will be open to applications starting tomorrow, Tuesday January 19th at 9:00 am and run until Friday January 22<sup>nd</sup> at noon. I have attached the questions that will be on the application so you can prepare in advance of applying. The grant is targeting businesses that have been restricted by the November 17<sup>th</sup>, "Gathering & Mask Order". If you have questions please let me know. Also you can check on the Delta County Chamber website (COVID Tools) for more info. (deltami.org)

Best Wishes,
