City of Gladstone’s
COVID-19 Give Back Program

As all of you know our community, as well as communities world-wide, have suffered and are still suffering from a global pandemic. Stores, companies, and many other public places were closed and the stay at home order affected all of us. Despite our hardship, the pandemic has made us grow closer as a community. Now that life is in the process of returning to normal as we once knew, the City of Gladstone wants to reward it’s notably helpful residents and organizations who did kind acts for the residents of Gladstone during this time of crisis.

The COVID-19 Give Back Program is a program that rewards people and organizations that helped out or supported the residents of the City of Gladstone during the time of crisis. Please nominate a person or organization that did something helpful during COVID-19. To nominate fill out the application on the back of this page and submit it to Gladstone City Hall. Once a week a winner will be chosen and rewarded with a gift card to a local store or restaurant. Help us give back and honor those local heroes that gave us their time and resources during the crisis.

Nominate at local hero at www.Gladstonemi.org

If you have any questions call (906)-428-4586 Ext. 4 or email rbarron@gladstonemi.org
