

Sec. 54-5. Truck and commercial vehicle restrictions.

(a) It shall be unlawful for any person within the city to operate, stop, stand or park, at any time, any truck or commercial vehicle with a gross weight in excess of the amounts specified on signs erected giving notice of such weight limits upon any of the streets, or parts thereof, on which such signs have been posted.

(b) It shall be unlawful for any person to operate, stop, stand or park, at any time, any truck or commercial vehicle with a gross weight in excess of ten tons, except by permit, upon the road designated as the South Bluff Road and Blackwell Avenue in the city, when signs are erected giving notice thereof.

(c) It shall be unlawful for any person to operate, stop, stand or park any truck or truck-trailer combination having a loaded gross weight greater than 10,000 pounds or an overall length of more than 34 feet on any street in the city, except on established truck routes. However, where the loading or unloading destination of a truck is off the established truck route, the truck shall proceed to and return from its loading and unloading destination on the established truck route as far as possible and thereafter on the shortest, direct route to and from the established truck route to the destination point of such loading or unloading.

(d) There is established a truck route in the city as follows:

- (1) Highways U.S. 2 and 41 and M-35;
- (2) Fourth Avenue;
- (3) Ninth Street;
- (4) Railway Avenue; and
- (5) Delta Avenue east of Fourth Street.
