Committee/Commission meetings

Some Village Trustees are designated as chairpersons, vice-chairpersons or liaisons to various commissions, committees and task forces. Issues to be considered by the committees or commissions are often referred by the Board of Trustees, and findings and/or recommendations are generally returned to the Board of Trustees for possible action. Commission or committee meetings may be less formal than Village Board meetings; however, all audience participation must be directed through the chairperson.

As in the Village Board meetings, an item is scheduled for discussion at a committee meeting and a recommendation vote is taken. The item is then scheduled for Village Board consideration at a regularly scheduled Board meeting.

**Citizens’ Guide to Village Meetings**

**Village Board Meeting Agenda**

The Village Board meets on the third Thursday of the month at 7:00 p.m. in the Village Hall Council Chamber. The formal agenda is posted on the Village Hall bulletin board and the Village website on the Friday before the regularly scheduled meeting. Questions regarding the Village Board agendas may be directed to the Village Manager’s office by calling (847) 835-4114.

**Workshop Session/ Special Meeting**

Periodically, the Village Board may meet for a Workshop Session. Voting action is not taken at these meetings as they are for the purposes of gathering information and discussion only. If voting action is required, the agenda will be listed as a Special Meeting.

**Closed Session**

Following a regular Board meeting, the President, Village Board and Village Manager may convene into Closed Session. Closed Session discussions are closed to the general public, and are generally limited by State law to matters pertaining to land acquisition and disposition, pending/threatened litigation, and personnel. No final action can be taken in Executive Session as final actions and voting by the Village Board must occur in open session.

- The agenda of every regular and special meeting of all Public Bodies will include a time near the beginning of the meeting for public comment.
- Citizens wishing to address the Village Board or Committees/Commissions on any specific item that appears on the agenda will have an opportunity to do so when that agenda item is under consideration.
- Citizens wishing to address the Village Board or Committee/Commission members on any topic not listed on the agenda may do so at the time designated as “Public Comment Time”.

- No person shall speak during Public Comment Time for more than three minutes, unless the President or Chairperson designates a longer or shorter time period.
- Although Public Comment Time may be used to address questions to the Public Body, a speaker is not entitled to a response to any such question during Public Comment Time.

No person may continue to speak after the President/Chairman has taken the floor from any such individual.
- Interruptions and Other Disturbances: No person shall interrupt the proceedings of a Public Body or cause any other form of disturbance or disruption.
- Enforcement: Any person violating the standards of process and decorum set forth in these Rules may be evicted from the premises of the meeting at the order of the President or a majority of the Trustees, or be subject to other action as deemed necessary by the President and Trustees.
