STATEMENT OF COMPLIANCE

INSTALLATION OF SMOKE ALARMS AND/OR CARBON MONOXIDE ALARMS

For exterior work with a valuation greater than $1,000.00. If the owner will not be available to allow the Building Inspector access to the interior of the residence, to inspect the installation of smoke and/or carbon monoxide alarms, this compliance form may be used.

ADDRESS OF WORK: ____________________________

☐ have installed smoke alarms / carbon monoxide alarms

Circle the installed units

☐ have existing smoke alarms / carbon monoxide alarms

Circle the existing units

Per the 2016 California Residential Code and the California Health & Safety Code as noted below:

Smoke Alarms: CRC Section R314 & HSC Section 13113.7 & 13113.8
Carbon Monoxide Alarms: CRC Section R315 & HSC Section 17926.

The units were installed under Building Permit No. ____________________________, and were installed as per the manufacturer’s installation instructions; or ☐ are existing.

I am aware that non-compliance with the California Health & Safety Code is an infraction punishable by a maximum fine of two-hundred dollars ($200.00) for each offense.
