

As the Mayor of the City of Hueytown, I would like to welcome each and every one of you to our community. I consider it an honor and privilege to serve the great citizens of Hueytown, Alabama and I will do so with the utmost dignity and respect. My purpose is to make Hueytown a premier place to live, work, play and visit.

On behalf of the City Council, we are pleased to introduce the newly official City of Hueytown's website. This website was designed with you in mind. Our goal is to provide easy access to information about your government, services and events that interest you. We are committed to improving and expanding resources for citizens to be empowered, engaged and educated about the services and functions of our municipal government. Therefore, I encourage you to explore the various areas of the website and learn more about the wonderful City of Hueytown.

To our visitors and prospective businesses and/or residents, I am truly delighted that you visited our website. I hope that it provides useful information concerning your visit or relocation. On a personal note, Hueytown is home to me. Being born and raised here, it is my deepest desire to see my hometown prosper and grow to its fullest potential. It will not always be easy. But with the collaboration of our Council, Administration, staff, businesses and citizens alike; we can convert challenges into opportunities for a brighter future. The future is now and I invite you all to join me on this journey. Now is the time for all of us to come together and strive to keep Hueytown, a city of Pride, Progress & Patriotism.

I am Mayor Steve Ware and I look forward to working with you all.
