- \* Preventative patrol on foot, bicycle or squad car
- \* Respond to emergency and non-emergency calls for service
- \* Enforce local and state laws
- \* Maintain public order
- \* Suppress and prevent crime

CRT duties include coordination of social service referrals, community events, Coffee with a Cop, home security surveys, educational events and presentations, and special traffic or nuisance complaints.

A **drone program** was fully implemented this year, with a drone purchase and continued training of officers as drone pilots. The drone can be used in situations such as missing person cases, crash or crime scene photography, and survey storm or other natural disaster damage.

**Four new officers were** sworn in and joined the Patrol Services Bureau.

Officer Eberle

Officer Hunt

Officer Lanute

Officer Prokuski

**Foot Patrol** is an important part of every officer's shift. This practice allows the officers to get out of the squad car and interact with our community members. When you see officers walking through a neighborhood, park or local business please feel free to stop and discuss any concerns with them.

The **Bike Patrol** program continues to be a popular and important part of our community-based policing program. Currently, there are 13 officers assigned as Bike Patrol Officers. Bike Patrol allows better community interaction and enforcement, especially in residential neighborhoods and parks.

The **medication disposal program** allows citizens a safe and convenient option to remove unused medication from the home. We disposed of almost 300 pounds of medication through the lobby Medication Disposal Box. Additionally, two National Take Back Events with the DEA collected another 130 pound of medication.

Our **Recruitment Team** focused efforts on finding the best candidates for the 2019 exam to create a new officer eligibility list. Members attended recruiting events at the University of Wisconsin - Platteville and Western Illinois University.

In response to the opioid abuse epidemic in our country, we continued our partnership in the McHenry County **A Way Out** program. This program allows individuals fighting addiction to come to a participating police department and request help. Staff provides transportation to a facility for substance abuse assessment and assistance with placement in the determined level of care.

As a part of the new standards process for the **Commission on Accreditation of Law Enforcement Agencies (CALEA)**, HPD successfully completed its second annual file review. Since initially earning accreditation in 2010, HPD had previously gone through reaccreditation processes every three years to maintain our status. After our most recent award in 2016, we moved into the new CALEA program which requires annual reviews in addition to the extensive final assessment at the completion of the new four year cycle. The annual assessment yielded very positive feedback from CALEA staff on the policies, operations, and practices of the department.

HPD is also an active member of the **Illinois Police Accreditation Coalition (IPAC)**, which serves as a professional resource for agencies striving towards and maintaining the rigorous accreditation standards. Staff attended 6 meetings and assisted in 2 mock assessments in 2019.

## Huntley Police Department 2019 Annual Report

The Office of Professional Standards (OPS) is an organizational component of the police department established to investigate all Administrative Inquiries and Performance Complaints against police employees related to internal discipline, violations of Statutes, Village Ordinances and General Orders.

OPS investigations serve to not only to hold employees accountable for misconduct, but also to exonerate employees from false accusations. Having a robust professional standards process is vital for employee accountability and public trust.

Citizens may contact the Office of Professional Standards at 847-515-5413.

# YOUTH PROGRAMS

## Huntley Police Department 2019 Annual Report

The **School Resource Officer (SRO)** is on campus during school hours to provide positive assistance when students need individual intervention or support. The SRO is also a classroom resource for instruction on laws, safety and alcohol & drug prevention, as well as being instantly available to help the school deal with any safety or law-related issues.

**LEAD the Way** (Learning Effective and Assertive Decision-making) is a program developed by the Huntley Police Department to educate Leggee Elementary 5th graders on drug awareness and life skills as they approach middle school. The program engages students with discussion, individual reflection and participation in group activities and games and provides tools and information to prepare students for the pressures and issues pre-teens face today. Topics include tobacco, marijuana, alcohol, prescription medications, bullying, peer pressure and internet safety.

**Summer Teen Forum** is the annual 3-day program for HHS incoming freshmen. Sponsored by HPD with the support of Lake in the Hills PD and the McHenry County Sheriff's Office, the forum is designed to establish positive law enforcement relationships with area youth and provide important information for students entering high school. Topics include bullying, dating violence, drug & alcohol awareness and risks online and in social networking. The forum had 21 attendees this year, the maximum capacity.

**Peer Jury**, or the Tri-Area Court for Teens, is a diversion program for first time juvenile offenders. Participants must be referred to the program by the arresting juvenile officer and meet other eligibility requirements. This program allows offenders to accept responsibility for their actions and receive a penalty without having a conviction on their record. A group of volunteer teens act as jurors and decide a penalty for the offender (i.e. community service, apology letters, restitution).

HPD provides **station tours** for groups such as Boy and Girl Scouts of America, preschools and daycares. In addition to seeing the police facilities and fleet, the tours often include a discussion on the role of law enforcement officers and age-appropriate safety tips.

We partnered with Culver's of Huntley and Huntley Area Public Library for the **Cones with a Cop** program, where officers enjoyed a cool treat during a story time with the children of our community.

# COMMUNITY PROGRAMS

## Huntley Police Department 2019 Annual Report

The **Citizen Police Academy (CPA)** provides a working knowledge of the Huntley Police Department to interested citizens. In 10 weekly, interactive classes participants learn more about law enforcement and the efforts of our department. Graduates of the CPA are eligible to join the **Citizen Police Academy Alumni Association (CPAAA)** which meets regularly to learn about community safety issues and provides volunteer support to the Police Department.

**Community Emergency Response Team (CERT)** provides critical support to first responders in emergency or disaster events. More commonly, this team is used for safety related non-emergency tasks, such as traffic control and support at special events. Membership requires training in disaster preparedness, first aid, search and rescue, fire suppression and organization.

**Neighborhood Watch** is a crime prevention through community partnership program to enable officers and community members to work together to reduce crime. Watch groups provide an extra set of eyes and ears in the neighborhoods. Meetings are regularly attended by officers that are assigned to patrol that neighborhood. If you are interested in starting a Neighborhood Watch group, please contact your Area Sergeant (see page 9).

The **Police Explorers Program** is designed to give insight into law enforcement careers for young men and women aged 14 to 20, through hands-on activities.

Meetings are held every other Thursday in the Village Board Room. For more information, contact Officer Heagney at [theagney@huntley.il.us](mailto:theagney@huntley.il.us) or 847-515-5402.

**Coffee with a Cop** is a national initiative supported by the United States Department of Justice, Office of Community Oriented Policing. These are informal gatherings of officers and citizens to discuss community issues, build relationships and drink coffee. Coffee with a Cop events held at local restaurants and neighborhood locations throughout the community.

**Speaker's Bureau** is available on request for an officer to speak to groups. Topics include scams and fraud, pedestrian safety, and home/business security. Topics can be tailored to your group's interests and needs.

The annual **Bike Huntley** event was a huge success. This community wide bike ride is presented by the Police Department in conjunction with the Village of Huntley and the Huntley Park District. Approximately 100 citizens came together to enjoy a fun ride and party in the square.

**National Night Out (NNO)** is an annual event held on the first Tuesday of August in communities across the nation. NNO is designed to heighten crime prevention and drug awareness, as well as strengthen neighborhood spirit and foster community partnerships. This year's events began with HPD winning the annual softball game vs Huntley Fire. An open house was held at the Police Station featuring tours, games, a dunk tank (valiantly manned by Sergeant Sullivan), a bike rodeo and equipment display with the Huntley Fire Protection District. Officers also attended several neighborhood events that evening. The open house was very well attended and we thank everyone for their continued support of this fun community event.

# TORCH RUN

## Huntley Police Department 2019 Annual Report

HPD has supported and participated in the Law Enforcement Torch Run for Special Olympics Illinois since 1996. LETR has two goals: to raise money and to gain awareness for the athletes who participate in Special Olympics. Thanks to the dedication of our officers and the support of our community,

We held the **Trick or Treat Trot 5K** to benefit the Law Enforcement Torch Run for Special Olympics in October - and what a great event it was! Thank you to all the Special Olympics athletes, volunteers and participants who came out to make this such a success.

HPD Police Officers and Special Olympics Athletes took to the roof of our local Dunkin Donuts in May for **Cop of Top**. This year's expanded event also included a live broadcast by Huntley Community Radio and a donut eating contest.

During **Tip a Cop** HPD staff and Special Olympics Athletes acted as waiters and received donations at our local Culver's.

For the 6th year, Sgt Williams led our **Polar Plunge** team. She was joined by Special Olympics Athlete James Williams and other participants from across the state as they hopped in the freezing waters of Fox Lake in February.

The **Tom Peck Car Show**, hosted annually by our friends at Tom Peck Ford, was a wonderful event again. Thank you to those who braved the rain to display and view the classic car and hot rod show.

# COMMUNITY SERVICE
