

HUNTLEY POLICE DEPARTMENT

COMMUNITY ALERT

MOTOR VEHICLE BURGLARIES

November 16, 2017

The Village of Huntley, along with numerous communities throughout the suburbs, has experienced an increase in Burglary to Motor Vehicle and Motor Vehicle Theft incidents. The incidents in Huntley have occurred during the overnight hours this week in residential areas just off of Rt 47, mostly on the south side of the Village. Nearly all of the vehicles targeted throughout the area have been left unlocked and the stolen motor vehicles have had their keys left inside.

The Huntley Police Department urges everyone to take these simple preventative measures will help to deter future incidents:

- Always lock your vehicle doors
- Never leave your vehicle keys/fob inside an unattended vehicle
- Avoid leaving valuable items in your vehicle, particularly when they are in plain view from outside

We ask all residents to remain vigilant and look out for their neighbors. If you see suspicious activity, call 9-1-1 immediately so police can respond and investigate. **If you have any information that may help in this investigation, please contact us (see information below). All tips may remain anonymous.**
