FOR IMMEDIATE RELEASE
DECEMBER 28, 2017

Ruse Burglary reported

On December 26, 2017 at approximately 4:00 PM a male subject went to a residence on the 11600 block of Woodcreek Drive in Huntley. The subject rang the doorbell, and when the homeowner answered the door he stepped into the home. The male advised he was a contractor working for the Village of Huntley and needed to inspect the water due to a damaged water main in the area. When asked for identification, the male subject redirected the conversation.

The male subject walked to the victim's kitchen faucet and began talking about water issues. He was on the telephone several times, during the encounter. A short time later a noise was heard and the subject stated it was his co-worker and left the residence.

The homeowner later discovered jewelry and cash missing. The male was described as approximately 30 years of age, with a slim build. He was wearing blue jeans, a dark knit jacket, and a dark skull cap. He was believed to be driving a dark colored work van with no observed writing on it.

Anyone experiencing a similar incident or having information regarding this incident is asked to contact the Huntley Police Department at (847) 515-5311 or call our Tip Line at (847) 515-5333.

Residents are reminded that all Village employees are issued identification and will provide the information to our residents if not already prominently displayed, upon request. Additionally, any Village employee may be verified by calling the Huntley Police Department.

*All individuals listed as arrested or charged with a crime in this press release
are presumed innocent until proven guilty in a court of law.*
