On Thursday, November 8, 2018 at approximately 8:22 am, the Huntley Police Department received a report of a burglary to a motor vehicle at a child care facility on the 12500 block of Princeton Drive. The victim reported contents of the vehicle missing, one being a cellular telephone, and the suspect vehicle was described as a white pick-up truck with tinted windows. The victim was able to obtain a location of the missing cellular phone via an app on the device. The telephone was then located approximately ½ mile north of the theft location, along Illinois Route 47. A second Officer proceeded to another child care facility located in the 11400 block of Rainsford Drive and observed a vehicle matching the description that exited from the facility, at a high rate of speed northbound on Illinois Route 47.

The information was passed along to surrounding police agencies and the suspect vehicle was observed in the Village of Lakewood and then later driving at a high rate of speed, south on Illinois Route 47. The vehicle was driving in an aggressive manner and struck several vehicles on Illinois Route 47. In the area of Illinois Route 47 and Regency Square Parkway, the vehicle came to a stop, due to flat tires and the occupants fled on foot, east from the vehicle.
