

2018 Islamorada Household Hazardous Waste Collection Dates

Provided by Advanced Disposal Services, Inc. through its Solid Waste Services Agreement with Islamorada, Village of Islands

First Quarter:
March 9th & 10th

Second Quarter:
June 8th & 9th

Third Quarter:
September 14th & 15th

Fourth Quarter:
December 14th & 15th

On Household Hazardous Waste Collection days, Islamorada residents may take household hazardous waste products for free disposal to a special drop off location set up at Founders Park (Mile Marker 87 Bayside). The drop-off location is set up near the south park entrance beyond the Administrative Center parking lot. Drop off hours are 9:00 a.m. to 12:00 p.m. each day of the scheduled collection.

The household hazardous waste collection is an effort to remove hazardous materials from the waste stream and to properly control disposal of the products. Waste disposal is available to residential customers only and proof of Islamorada residency will be required. Residents may take materials to the drop off location and Advanced Disposal will have personnel on hand to accept and separate the waste to ensure the proper disposal or recycling of the materials collected.

Commercial customers must contact Advanced Disposal to arrange for disposal of hazardous materials; commercial waste may not be dropped off at the residential collection site.

Household waste materials include bottles or cans of flammable liquid fuel and chlorine bottles, liquid poison, flammable solids, aerosol, corrosive materials, liquid or solid oxidizers, pesticides or herbicides, cyanides or sulfides, dry cell alkaline batteries, lead acid batteries, used non-contaminated oils, anti-freeze, latex paints, pcb liquids, bcb ballasts, non-regulated soaps, polishes and similar materials, contaminated oil solvents, oil based paints and thinners, and tires off the rim that do not exceed a light duty SUV. ***Computer, electronic and lighting waste is accepted throughout the year and will also be accepted during this event.**

For additional information, please contact Advanced Disposal Services at IslamoradaFL@advanceddisposal.com or 305-853-3433 or the Islamorada Public Works office at public.works@islamorada.fl.us or 305-852-6933.

***Contact Advanced Disposal throughout the year to schedule a roadside pickup or appointment to drop off televisions, computers, monitors, printers and other electronic waste.**
