Proposed Access Point Info.

Lee Road Number: _____

Will this be the primary access point to your property? Yes [] No []

Location of proposed access point/ address, at or near: _____

Driveway Use (Check one): [] Residential [] Commercial [] Industrial [] Agricultural [] Other (Specify): _____

The pipe specifications for residential driveways are 24 feet to 40 feet of reinforced concrete pipe (RCP) or 20 feet to 40 feet of corrugated high-density polyethylene or polypropylene (HDPE or HDPP) pipe with smooth flow line and a minimum of 12" of soil cover above pipe. Commercial, industrial and agricultural access points are allowed up to 100 feet of pipe. All pipes shall meet or exceed the current ALDOT specifications for side drain pipe.

Driveway to be installed by (Check one): [] Property Owner [] Timber Owner [] Licensed Contractor

Pipe Material (Check one): [] Concrete [] HDPE or HDPP (HDPE or HDPP is allowed only when min. 12 inches of soil cover can be provided over the pipe.)

Pipe Length (Check one): Concrete - [] 24 ft. [] 32 ft. [] 40 ft. HDPE or HDPP - [] 20 ft. [] 30 ft. [] 40 ft.

Procedure

Applicant requesting the driveway must mark the location of the center of the proposed access point with white flagging ribbon or identification markers, and someone from the engineer's office will go out and size the pipe and inspect the proposed location. Once the location is approved, the applicant will be contacted with what size and type pipe is needed; then, the property owner or timber owner may install the pipe himself/herself or the applicant may contact a licensed contractor to have the driveway installed. Once the ditch has been graded and the pipe has been placed, Lee County Building Inspection must inspect the installation of the driveway prior to placement of fill material over the pipe. Call (334) 737-7014, one business day prior, to schedule an inspection.

Indemnification

I, the undersigned, agree to comply with all conditions, restrictions and regulations of the Lee County Access Management Policy as well as the Lee County Access Permit. Except for negligent acts of Lee County, I also agree to assume all liability for and save Lee County responsible from any and all claims for damage arising out of the work to be done herein, in addition to any damage done by the continued use of the driveway and pipe.
