

The maintenance dept has recently cleaned out the trash hole at the city yard. They are asking citizens to please not dump anything into this hole as it can create a burning hazard. Anyone caught illegally dumping on this property will be prosecuted.

\*\*\***Memo from the Mayor**\*\*\*

*Changes are happening here at Lometa City Hall! We would like to welcome Julia Thomas as a new city council member.*

*Julia fills the seat vacated by the resignation of David Fair. Julia has lived in Lometa for about a year moving here with husband, Doug and three children who attend Lometa School. Thank you, Julia, for your willingness to serve. We will also see a new face in the maintenance department with Daniel Velez joining Allen Rubio. Welcome Daniel! My goal, as well as each member of our city council and staff is to improve our city in safety, service and quality of life.*

*Mayor Cynthia Kirby*

**It is almost time to go back to school. Just a reminder that there is no cell phone use in the school zone and please observe the posted speed limits. As always we will have an officer present in the school zones throughout the school year. We have received complaints in reference to old tires that aren't supposed to be in the rain and weather. It is a violation of the state law to have anything that can collect rain water that could be a breeding ground for mosquitoes. If you have old tires they must be covered with something that will prevent the rainwater from collecting inside them. This is a health issue so please cover up anything that can hold water and invite mosquitoes.**
