Last day for filing application for a place on the ballot for the May City Council election is February 17th, 2017 (must be received by 5p.m.)! Information can be obtained at city hall!

The “Texas Food Establishment Rules (TFER)” was revised and updated and will be effective October 11, 2015. A major change in the revision now requires all food employees to complete an accredited food handlers training program within 60 days of employment, effective September 16, 2016. A food handlers course accredited by the Texas Department of State Health Services is being offered by Texas A&M AgriLife Extension Service, Lampasas County. *Food Safety: It's In Your Hands* is scheduled for February 2nd starting at **6:00 p.m.** at St. Mary Catholic Church Parish Hall, 701 N. Key Ave., Lampasas.

This 2-hour course will now be required for all food service employees to help promote the service of safe food. The certificate is good for 2 years and is valid anywhere in the State of Texas. The course is a basic overview of food safety practices that are necessary to ensure that safe food is served at your establishment. Practices discussed include good personal hygiene, cross contamination, and time and temperature abuse

To register for the course, call the Extension office at **512-556-8271**. Registration can also be done in-person the day of the course. The cost is \$20.00 per person and must be paid in full before the course begins.

Individual with disabilities who require auxiliary aide service or accommodation in order to participate in the event are encouraged to contact our office within 5 working days prior to the program. Educational programs of Texas A&M AgriLife Extension Service are open to all people without regard to race, color, sex, disability, religion, age, national origin or genetic information or veteran status.

The class is taught in English but Spanish handouts are available if requested in advance.

*****Memo from the Mayor*****

One of the best things about living in a small community like Lometa is how we all come together to help those in need. Our thoughts and prayers go out to David and Benita Vasquez in the loss of their home due to fire. It is time to come together and aid them in anyway that we can. There has been an account set up at the First State Bank, Lometa branch, that will accept donations. Also, the community will come together on Sunday, February 12, for a Benefit Catfish Dinner, with all the proceeds from this event going to help out David and Benita with the many expenses they will be facing. Remember to keep this couple in your prayers and do what you can to help them in their time of need.
