**June 1st, 2020**

Present: Kristi Tampio, Katherine Hample, Keith Allen, Barbara Sacks-Singer, Sallie Van Tassel, Niles Anderegg

- Welcome
- Update on summer celebration - the event scheduled for June 30 is canceled given all MoCo permits have been pulled for outdoor events.
- Ideas for late summer/Fall event - we will plan to focus on a Labor Day event that is more robust than the typical Movie Night event to potentially include a food truck, beverages, ice cream, kettle corn, games, etc. Niles to look for options and vendors for the committee to choose from. Barbara taking the lead to determine final choices and help drive movie selection. Looking to run a film that would be family friendly and a classic. Scheduled for Sunday Sept 6th.
- VMA new fiscal year CEC membership - chair and members to be confirmed in July by the council - memberships expire June 30 and the village will be sending around a message to seek volunteers for the member and chair position. All are welcome to join and at least 3 members are needed to hold an active CE Committee.
- Open items - none
