This is the final public working session to review the 2023 election documents that the Committee is using as the basis for 2024: the rules and procedures ordinance, the voter roll verification procedure, the instructions for the mail-vote contractor, the forum procedure, the vote-counting procedure, and the contract. The Committee has been updating the documents to (1) incorporate the new definition of "qualified voter" that the Council adopted in September 2023, (2) consolidate the procedural documents and make them long-term standard procedures by replacing the 2023 dates with the appropriate generic language, and (3) ensure that the resulting procedural documents are clear and complete. Community input is welcome. The Committee will present this proposed 2024 election ordinance for a Council vote to introduce it at the December 14 Council meeting.

- A. Review and vote on the final draft of the consolidated 2024 election rules and procedures document.
- B. Discuss the draft public explanation of the ordinance, per the Council's SOP for introducing ordinances.

9:00 Discussion of any other procedural election issues.

9:05 Residents' comments, questions, and suggestions.

9:10 Committee task assignments.
