

Dear Qualified Voters,

The Election Committee is pleased to announce the results of the 2023 Village of Martin's Additions Council election. Of the 747 qualified voters on the Village of Martin's Additions qualified voter roll, 347 ballot envelopes were returned and deemed valid by the Committee. This represents a 46 percent qualified voter participation rate in this year's election, and it is one the highest recorded total turnouts for a Village election. This included 108 ballots that were dropped off during the Election Day event. The Committee appreciates the participation and work from members of the Village, volunteers on the Community Engagement Committee, and the Village Staff in hosting that event this year.

347 ballots were deemed conforming this year, with no ballots requiring curing. An additional 4 ballots were received after the election deadline, and, as such, were deemed non-conforming and were not counted.

Five ballots were hand-counted due to concerns that they might not be read by the counting machines or if they were unable to be read by the counting machines.

There were 2 spots on the Council up for election this year. The results by Candidate appear in the Table below.

<b>Candidate Totals</b>	
<b>Name</b>	<b>Votes</b>
Katie Filipczyk Howard	214
Andrew Kauders	208
Joel Martín Kliksberg	184

Additionally, there were a total of 22 write-in votes cast. Seven write-in votes were ultimately deemed invalid, as they were not cast for an eligible or valid candidate. The list of valid write-in candidates votes appear below.

<b>Write-In Totals</b>	
<b>Name</b>	<b>Votes</b>

We appreciate all the candidates' interest in being elected to serve at this time on our municipal government's 5-member Council. Congratulations to Andrew and Katie! Their terms will begin on July 1, 2023, in accordance with the Charter.

We also thank Michael Silliman, our Village Manager, and Erin Byrnes, our Assistant Village Manager, for the staff's support of this year's election, including communications dissemination and contract management.

Respectfully Submitted,  
2023 Village of Martin's Additions Election Committee
