7:31PM Call to Order: Cissna

7:32PM Election of Village Council officers

Todd Mann made a motion to approve a proposed slate of Council officers: Tiffany Cissna – Chair; Susan Fattig – Vice Chair; Katya Hill – Secretary; Arthur Alexander – Treasurer; and Todd Mann – at-large member. Susan Fattig seconded the motion. During the discussion, Mann explained that Cissna and Fattig are most up to date on what are the day to day demands of the office and able to be physically present in the office. Alexander and Hill provide consistency. All voted in favor of the slate.

7:34PM Resident comments

Keith Allen (Turner Lane) on the weather: we have experienced one of top five warmest winters on record. He does not anticipate much, if any snow coming, but noted that March may always hold a surprise. Marty Langelan (Chestnut Street): There was a noise complaint on Chestnut regarding a lawn crew working too early on a holiday. The resident spoke with their contractor and it was addressed. She also asked for a streetlight to be installed at the end of her driveway. Paula Goldberg (Bradley Lane): On January 10, Paula Goldberg and Marty Langelan made request to discuss urgent human resources matters with the Council in closed session. She appreciates the Council voting to enter closed session this evening. They also expressed appreciation for the work of the temp, Julia Stogoski, hired to keep office work going.

7:37 PM Committee Reports

Community Engagement Committee (Keith Allen): On target for the Midwinter Happy Hour at La Ferme on Sunday, March 1, 2020. Multiple emails have gone out and RSVP will remain open until next Friday, the 28<sup>th</sup>. The next committee meeting will be on March 2nd.

Election Committee (Marty Langelan): The Committee met Tuesday January 28 to discuss and prepare for the upcoming election. She expressed appreciation to the Council for hiring a temp to keep the process going. Today is beginning of the election cycle, the nomination period is now open. The Committee has provided ongoing guidance for staff in supporting the election and will be providing Q&A in the upcoming newsletter. Working on consolidating and updating the election info on the website, maintaining two pages. Thanks to Susan Fattig for locating correct Conflict of Interest form and ensuring updated on the website. Asked Attorney Bolt to make sure Stogoski and Langelan get copy of tonight's resolution. Closed by encouraging all residents to run for council.

Tree Supervisor (Paula Goldberg): Nothing to report.

7:45 PM Discussion of and Hearing on Resolution to Amend Election Committee Procedures (No. 2019-12-1) and accompanying Policy Amendment (No. 2019-12-2). These changes would allow for requests for absentee ballots to be sent to the Village Office. Hill moved to adopt. Fattig seconded. All voted in favor.

7:47 PM Building Administrator's Report: Lohmeyer  
Mr. Lohmeyer briefly reviewed his full report (see addendum). 3506 Bradley will be a new construction. He has completed his initial review and requested some additional info. He noted that the Village is awaiting information from 7204 Chestnut (i.e., wall check and right of way license agreement), noting the permit expires April 3, 2020. 3412 Taylor has applied for extension but they plan to be done by April. Councilmember Cissna asked for a brief review of the GIS process and recommendations. The Village put out an RFP for a GIS update and maintenance. There were 13 respondents. The staff interviewed 4. Two okay interviews, two stand-outs. Good references, responsible, reliable, etc. Similar in price. Recommendation was to enter into a contract with Wallace Montgomery Company. Council concurred.

7:52 PM Financial Report: Alexander  
Treasurer Alexander explained that the Council had a work session to review fiscal year (FY) 2020 execution as well as begin planning for FY 2021. He reminded everyone that the Council cannot spend money that is not allocated and due to some changes in priorities for the current year, the Council will be making some amendments. For example, Information and Technology – The Village did not have this as a separate category previously. Now it is its own \$20,000 line item. That will be high for this year. We have greatly improved IT. We now have numerous devices, upgraded modems, share drives, etc. Will probably spend more in this area this year due to having to complete some migrations that were not previously undertaken. There are also two other areas we haven't had before: Financial Processes Audit and Cyber Security Posture Review. We're spending less on some items so the decreases outweigh the increases. Fattig made a motion to amend the budget. Mann seconded. All voted in favor.

8:00 PM Office Report  
Todd Mann briefly explained the current status of the Village Manager search. Search process continues. Sent out notice via many different avenues – Joinhandshake.com, Maryland Municipal League, Leadership Montgomery, etc. We have received approximately 15 applicants. Some eliminated based on location. We have completed initial phone interviews with those deemed qualified and met with six in person with council. Making good progress and in the final stage. Feels good about response, as there were a good number of well qualified applicants. Hopefully more news in next couple of weeks. In the interim, Ms. Julia Stogoski is the temp in the office and she is doing a good job. Arthur Alexander thanked Tiffany Cissna and Susan Fattig for keeping the office going, and making significant progress on several projects, along with Julia. Susan Fattig noted she has been moving the archiving project forward, spending several hours per day on the project and coordinating with the State Archivist as needed. She has gone through files and boxes which are almost ready for Maryland State Archiving. Arthur Alexander updated all on the Internal Controls RFP: 7 responses received. Prices were from around \$5000-\$85,000. The three that really took the time to understand the RFP were

lower end. Interviewed two. Recommended candidate also does work for other local municipalities and speaks at Maryland Municipal League regularly. Council concurred with recommendation.

8:05 PM Closing Resident Comments

David Bjorklund (Turner Lane) asked what happened at Shepherd Park, stating that the tape was not well cleaned up. Councilmember Cissna stated that our contract officers did not give more information than previously reported to the community due to age of parties involved. They also stated that they did not have any ongoing public safety concern.

8:06 PM Vote on whether to enter into closed session in accordance with Section 3-305(b)(1) and (7) of the Open Meetings Act (Maryland Code, General Provisions Article) to discuss personnel matters that affect one or more specific individuals, at the request of Paula Goldberg and Marty Langelan, and to seek legal counsel regarding a building code enforcement issue. Arthur Alexander made the motion. Katya Hill seconded. All voted in favor. Present were all Council members; Ron Bolt, Village Attorney; Paula Goldberg; and Marty Langelan. It appeared that the first topic of discussion should likely be open, so the closed session was ended. In open session, Ms. Goldberg and Ms. Langelan offered a critique of the handling of personnel matters by the Council and the Village Attorney and made recommendations for the future. The Council thanked them for their comments and recommendations. Ms. Goldberg and Ms. Langelan departed the meeting. At 8:33 pm Katya Hill made a motion to re-enter closed session to seek legal counsel regarding a building code enforcement issue in accordance with Section 3-305(b)(7) of the Act. Susan Fattig seconded the motion. All voted in favor. The Council obtained legal advice on the building code enforcement matter. The Council agreed to take enforcement action. The meeting adjourned at 8:52 pm.

**Policy No. 2019-12-2**

**Election Rules and Procedures**

The Village of Martin's Additions is governed by a municipal Charter that provides for a five-member elected Council to appoint an Election Committee (Committee) that operates according to rules and procedures adopted by the Council, pursuant to Section 602 of the Village Charter. The Committee maintains the voter rolls, accepts and makes nominations of candidates for the Village Council, and oversees the annual election.

**Village Council Election Process**

The Election of Council members takes place on a date determined from year to year in accordance with Section 602 of the Charter. Council members are elected to terms of two years. In general, the number of seats open on the Council alternates between two and three seats every other year unless there is a vacancy as provided for in Section 408 of the Charter. All elections are managed by the Committee. The Committee consists of a minimum of three, but preferably no fewer than five, qualified voter volunteers appointed by the Council. The Council may appoint additional qualified voters as short-term, assistant Election Committee members as needed. Committee members shall complete an Oath, on a form provided by the Village Council. Each year the details of the election cycle for that year are published in the Village newsletter. The following rules and procedures apply:

1. No later than seventy-five (75) days prior to the election, the Committee will open the nominations period and request that declarations of candidacy and nominations of candidates be submitted in writing to the Committee. Any qualified voter may run for office. Residents may nominate themselves or be nominated by another qualified voter. Nominations may be made only by verified qualified voters; anonymous nominations are not permitted. Residents who nominate someone other than themselves must include an email or signed written statement from the proposed candidate expressing his/her consent to be nominated.
2. All nominated candidates shall submit (a) a statement of interest and qualifications, and (b) a conflicts of interest disclosure statement, in a form provided by the Ethics Committee. The Election Committee may specify any standard questions to which all candidates are requested to respond.

3. Nominations and required candidate submissions must be received in writing at least forty-five (45) days prior to the election, in order for the candidate to be placed on the official ballot. No nominations or candidate submissions will be accepted by the Committee if received later than the deadline specified here.
4. Pursuant to Charter Section 602(b), no later than two (2) weeks prior to the election, the Committee shall give public notice of the candidates for office and provide, or provide access to, the written statements of interest and qualifications and shall designate the date of the election, the polling place, and time.
5. The Committee may establish a format, date and time for a public forum for residents to hear from candidates. The forum shall be moderated by the Committee at its sole discretion.
6. Pursuant to the Charter and these rules and procedures, each qualified voter may cast a ballot on the day and at the time designated or may vote by absentee ballot. The rules for voting absentee are set forth under "Absentee Voting" below.
7. Blank lines will be placed on the ballot for the purpose of adding write-in candidates at the time of the election. A successful write-in candidate shall be required to submit a conflicts of interest disclosure statement no later than seven (7) business days following the election.
8. In the event that two or more candidates receive the same number of votes where only one can be elected, there shall be a runoff election within two weeks of the original election. The Council may choose to instruct the Election Committee to hold the runoff election by mail ballot.
9. Each candidate may designate one person as an official observer to be present when the ballots are being counted, although such observer may not participate in or otherwise disrupt the counting of the ballots.

### **Who Can Vote?**

Pursuant to the Charter, a qualified voter is "any person who owns property or any resident of Martin's Additions who is eighteen years of age or over." In the case of students, such as college or boarding school students, a student who resides elsewhere during the school year but who maintains a permanent address in Martin's Additions, is deemed a resident and entitled to vote in the Village Council election. Voters in Martin's Additions need not be registered to vote in Montgomery County or in the State of Maryland. The Committee will utilize the most recent electronically available Village qualified voter contact information to verify residents' names and addresses. Any voter not listed in the data should be prepared to show a driver's license, a utility bill or other documentation acceptable to the Committee in its sole discretion showing his/her Martin's Additions address when he/she comes to the polls. Questions

regarding eligibility to vote at the polls or otherwise should be directed to the Chair of the Committee, who will refer the matter to the Committee for determination.

### **Voting Locations**

Voting will be conducted from 5:00-8:00 PM on Election Day in front of the Village Office at 7013B Brookville Road, if weather permits. If the weather is inclement, voting will take place in the Village Office with appropriate accommodations to be made by the Committee for accessibility concerns. All qualified voters are encouraged to vote by casting their ballots in the polling area. Write-in candidates are permitted. All voting is by secret ballot and election procedures are designed to ensure that voters have the opportunity to cast ballots in privacy. A street festival, "Celebration on the Sidewalk," traditionally takes place during the voting.

### **Absentee Voting**

Residents may apply for an absentee ballot. To ensure privacy, absentee ballots will be assigned randomized control numbers and will not reflect any voter information on the ballot. Control numbers will be maintained by the Committee and will be utilized by the Committee for purposes of authenticating absentee ballots received. Absentee ballots may be requested from the Committee using any of the following methods:

(1) by coming to the Village Office (7013 Brookville Road, Suite B) in person to complete an absentee ballot application provided by the Committee, or

(2) by sending a request via

(a) email to [VMAelections@gmail.com](mailto:VMAelections@gmail.com) or

(b) mail to the Election Committee at the VMA Office address.

Such correspondence will be considered to be a ballot application and must contain the qualified voter's full name and permanent address in Martin's Additions together with a stated preference for receiving the absentee ballot by mail or e-mail. If no such preference is stated, the request will be deemed to have specified a delivery preference of mail through the United States postal service. Following verification that the requester is a qualified voter by the Committee, an absentee ballot and instructions will be mailed or emailed, as specified, to the requesting voter.

Absentee ballots may be requested on an individual or household basis by the qualified voter or a member of his or her household; provided, that if the absentee ballot request states e-mail as a delivery preference, each voter for whom an absentee ballot is requested must have a separate individual e-mail address for receipt of such absentee ballot, and such e-mail address must be provided with the request for each such qualified voter. The Committee will not accept absentee ballot requests from any person or by any method except as described in this Absentee Ballots section.

Absentee ballots can be requested starting 21 days prior to election day.

Absentee ballots must be received by the Committee by election day by one of the methods below. The Committee takes no responsibility for late ballots. Requests for absentee ballots should be made sufficiently in advance of the election to allow time for delivery. Delivery times cannot be guaranteed. Completed absentee ballots must be returned to the Committee according to the following procedures:

(1) by mailing via the United States postal service the completed ballot to the Committee post office box as indicated on the absentee ballot instructions, to be received by 3 p.m. on election day.

(2) by personally dropping the absentee ballot in the slot in the locked ballot box in the VMA office no later than 3:00 p.m. on the day of the election. The ballot must contain the assigned control number on the outer envelope to be considered eligible. Security of the locked ballot box will be maintained by the Committee and only designated members of the Committee, who do not have access to the control numbers, will have access to the contents of the ballot box. Residents should not ask Village staff to handle completed ballots at any time.

(3) by submitting the ballot in person at the polling place on Election Day during regular voting hours following verification by the Committee of the resident's identity and the ballot's control number.

## **Records**

All election records, including nominations, absentee ballot requests, and ballots, shall be maintained at the Village Office, in accordance with the Village's Document Retention Schedule. Ballots shall be securely stored until such time as they may be destroyed in accordance with the Document Retention Schedule.

## **Electioneering**

1. Candidates' election materials:
  - (a) Residents may distribute candidates' information to Village residents, provided that such distribution complies with applicable laws, including Sections 7-208 and 9-106 of the Village Code and the United States postal service regulations (for example, no unstamped non-postal material in residents' mailboxes).
  - (b) All candidates' brochures and election materials must prominently state that they have been paid for by (or on behalf of) the candidates.
  - (c) Use of the Village logo and/or letterhead on election campaign materials is

prohibited. Candidates' materials may not imply, suggest, or give the impression of any official endorsement by the Village of Martin's Additions.

- (d) Candidates' campaigns may give residents token gifts that display candidate information, provided that such gifts do not exceed \$1 in fair market value.
- 2. Yard signs: Residents may display candidates' yard signs, provided that the size, location, construction, and duration of such signs comply with the County's sign ordinance (Article 59-F of the Montgomery County Code).
- 3. On Election Day, the Election Committee shall set and enforce a reasonable "No Electioneering Zone" around the polling place (ballot table) of no greater than a 100-foot radius. Sound amplification systems such as bullhorns will not be permitted.

DATE OF MEMO: February 15, 2020  
SUBJECT: Building Administrator's Report

**3506 Bradley Lane.**

A demolition and building permit application was submitted to the Village office. The staff is reviewing the information.

**7204 Chestnut St.**

The Village issued the building permit on April 3, 2019. The construction of the additions is ongoing. The staff has requested a certified "Wall Check" that indicate the setbacks for the additions at the front and right side of the house. A variance was previously granted for those additions. The Village building permit will expire on April 3, 2020.

The homeowner has also requested a right of way licenses agreement for the new white address post, which is waiting the homeowner's signature.

**7210 Chestnut St.**

The Village issued their building permit on Oct. 11, 2018. The applicant estimates the project will be completed in 2 to 3 months. The Village building permit has been extended. The applicant has poured the new driveway along the left side of the lot. The proposed driveway and other improvements cannot exceed the 30% non-vegetative cap in the front yard. The staff will monitor the progress.

**3521 Cummings La.**

The property owner is looking into the possibility of removing the apron close to Brookville Rd. and installing another fence in the Village right of way.

**3508 Shepherd St.**

The Village has issued a building permit to the new owner for the construction of an enclosed back porch and balcony at the right rear of the house. The new addition conforms to the Village Code setbacks and does not exceed the R-60 building coverage cap.

### **3412 Taylor St.**

The Village building permit has been issued on Feb. 4, 2019. The house construction is ongoing. The applicant has raised the elevation of the house because of a high ground water condition. The height survey indicated the new roof peak is 6 inches higher than what the Village Code permits.

The “Stop Work Order” has been lifted and construction is proceeding.

The Village Building Permit must be extended and the applicant has been notified.

### **3407 Thornapple St.**

The Village issued their building permit on May 30, 2019. Work has begun on the new house construction. The applicant has submitted a “Wall Check”, which indicated the new house is in conformance with the approved site plan and the Village Code.

### **Miscellaneous Items**

The staff is presently working with the following properties:

1. The MSHA staff is investigating the ponding water situation at the Brookville Rd. and Quincy.
2. The MSHA staff is reviewing the ponding situation at Brookville Rd. and Cummings La.
3. The staff has been in contact with three property owners regarding future improvements to existing house in the Village.

January 2020

	<u>Actual</u>	<u>Budgeted</u>
Revenues	\$ 440,254	399,820

Net Income (revenues minus expenses)	-19,392	-102,629
 Capital investment expenses	 \$ 0	
 Investment reserves (less expenditures)	 1,500,000	
Emergency reserves	1,000,000	

Current assets less designated reserves \$ 353,460

Because of the uneven receipt of Village revenues over time, we are running an expected deficit, although the actual negative numbers are considerably less than originally contemplated when the budget was compiled almost a year ago.

In the meantime, we have put forward several initiatives as well as changes in how we account for various activities, splitting out some items and combining others. For example, we added a new information technology account that includes an ongoing review of hardware, applications, and files. Also, we are conducting one-time audits of our financial and IT security practices, which should result in lower on-going expenditures in the future. Because of both planned and unplanned activities, the Council must amend the budget to account for these developing events. The sum of the increases and decreases is a net reduction over the fiscal year compared to the original budget.

## **VMA Election Committee Report for the Feb 20, 2020, Council Meeting**

The Election Committee met on Tuesday evening Jan 21. We discussed the urgent need for professional VMA staff support to carry out our election responsibilities. We noted that the Council had fired both members of the VMA staff on Friday Jan 17, and that the election-related work was scheduled to begin on Feb 4 with the preparation of the bulk mailing of the official nomination announcement to all VMA households.

We appreciate the Council hiring a temp, Ms. Julia Stogoski, to assist the committee. We commend Julia for tackling the labor-intensive task of the bulk mailing successfully and getting that mailing out on time. Julia was also able to post the official announcement on Constant Contact this morning, as required. We thank her for her capable assistance.

The Committee prepared a detailed written time-line of the ongoing staff support work that will be required for the 2020 election (February through May, 12 pages, single-spaced). We provided copies to the Council and to Julia. VMA takes pride in holding clean, fair, well-run elections, and it takes a lot of efficient staff logistical support for the Election Committee to do the job well.

The Committee also prepared a "Questions and Answers" Election Committee article for the upcoming March newsletter, including the responses to residents' questions and comments about candidate slates and other election-related issues in the Fall 2019 VMA Residents Survey.

We are also working on updating, correcting, and consolidating the election information on the VMA website. Thanks to Susan Fattig for tracking down the correct, updated version of the COI ethics form for candidates to fill out, and to Julia for posting both the COI form and the candidate statement format on the Election Committee section of the website.

The Committee chair asked the VMA attorney to provide a copy of the updated Election Rules and Procedures (Policy 2-16-2) to the Committee and to Julia to post on the VMA website.

We encourage all eligible residents to consider serving on the VMA Council. It's an important community service, and it's easy to put your name on the ballot. If you might be interested, please email the Election Committee at [VMAelections@gmail.com](mailto:VMAelections@gmail.com) or call the Committee chair at 301-654-0176.

The next Election Committee meeting is scheduled for 8 pm on Sunday Feb 23. The meeting location and agenda have been posted on Constant Contact. VMA residents are welcome to attend.

Respectfully submitted by the 2020 VMA Election Committee, February 2020.
