

**ADDENDUM NO. 2**

DATE: February 24, 2022  
Job No. E180104

METRO-EAST SANITARY DISTRICT  
Lansdowne Sewer Project

Specifications Dated MAY 2019  
(Bids Due Thursday, March 3, 2022, before 10:00 a.m.)

The following additions, deletions, changes, and/or clarifications shall be made a part of the plans and specifications.

**CLARIFICATION**

1. Record drawings on the sewer from Manhole 93 to Manhole 52 are available. Bidders may request a digital copy from the Engineer at no cost.
2. If contractor builds gravel roads for access to manholes, they will not be required to remove. Access roads must be located over the existing sewer (within easement).
3. Contractor will be responsible for coordinating all water usage with Illinois American Water Company. Unit Price shall include water usage needed to complete the work. Also coordinate which hydrants are accessible with IAWCO.
4. Contractor will be responsible for all disposal fees at the Granite City Wastewater Treatment Facility. Unit pricing for cleaning shall include disposal fees.
5. It is intended that contractors will not enter onto railroad property, and no permitting or flagging will be necessary on the project.
6. On bid item 20, Geopolymer internal joint sealing will be accepted as an alternate method of construction. Geopolymer shall be a minimum of 2" thick.
7. Delete Item 9 on Addendum No. 1.

**SPECIFICATIONS**

8. On Page 33 01 30.72-5, make the following changes on Item 3.01.E:
  1. Ground water table elevation: **5'** below ground surface.
  4. **Fully** deteriorated "host" pipe
  9. Modulus of soil stiffness: **1,000** psi for sewer depths less than 25 feet and **1,000** psi for sewer depths greater than 25 feet.
9. On Page 33 01 30.72-7, Item 3.04.A, delete the last sentence and replace with:  
  
"Contractor shall coordinate all water usage with Illinois American Water Company. Contractor shall be responsible for all water costs and include in their unit pricing".
