REPORT OF LANSDOWNE OFFICE MANAGER:

Ms. Worthen reported:

Fifteen (15) sewage treatment customers have been without water since September 2017. Last Friday, an additional thirteen (13) customers were submitted to the Water Company for disconnect. Eight of the thirteen have paid or made agreements. This brings the total number of customers without water service up to twenty (20).

The easement project is moving along. We are setting up the invoices in the LOCIS software. We have also purchased an IPad and added an App that provides longitude and latitude. This will be very helpful when companies call for a site address.
Collections are typically lower in November and December due to the holidays.

The office staff is in the process of turning past due accounts over to the State of Illinois Local Debt Recovery Program. We want all of the accounts turned over to the State before the end of the year. The State will withhold the amount from income tax refunds.

Commissioner Sawicki asked if the Southwestern Illinois Correction Center has made a payment since the last meeting. If not, has interest been charged?

Ms. Worthen replied there have not been any payments in the last month and none are expected until next year. Past due fees are being added to the account.

Commissioner Sawicki asked Ms. Worthen to provide a quarterly update regarding the Correction Center.

Executive Director Adler reported:

Superintendent Presswood and his staff made a book of the projects they completed during calendar year 2017. The book is available for anyone that wants to review the projects.

A Floodplains map of Madison County was presented:
Executive Director Adler continued:

The orange areas on the floodplains map indicate areas that will need flood insurance. The District has ninety (90) days to respond to the Federal Emergency Management Agency (FEMA) regarding the map.

One issue being addressed with the Southwestern Illinois Flood Prevention District (FPD) is interior flooding. Why isn’t more attention being focused on interior flooding?

The Illinois Department of Natural Resources (IDNR) is initiating a meeting concerning Blue Waters Ditch Pump Station. Representatives from the Corps of Engineers, Village of Alorton, Village of Cahokia, Centreville City, Centreville Township and St. Clair County are being invited to the meeting. The meeting is scheduled for January 10, 2018.

Illinois American Water Company wants to give the District a 1000 kW generator. The generator can be loaded on a trailer and is capable of running one pump.

Repairs to Pump No. 4 at the North Pump Station are estimated at Eighty-four thousand dollars ($84,000). This is within the District’s budget and the repairs have been approved.

Pump No. 1 at North Pump Station should be back in the Pump Station by Spring of 2018.

Employees have asked if the District will have a Christmas party this year. Donations can be solicited for the party.

Will company personnel receive a raise in 2018?

President Brinza asked the Executive Director to provide more information on the total cost of the proposed pay increases.
