

NOTICE: Private Property-No Trespassing

The property, identified as Metro East Sanitary District (MESD), is private property and is not open to the public for trespassing or unauthorized access. Any entry onto MESD property is prohibited. Trespassing on MESD property is illegal and will be treated as such. MESD reserves the right to enforce these terms of access, including to but not limited to law enforcement intervention and prosecution of trespassers.

Any individual or entities seeking access to MESD property must obtain permission beforehand. For inquiries regarding access to property or to request permission for entry, please contact the office at (618) 452-9400. Thank you for your cooperation and understanding of respecting the security of Metro East Sanitary District.
