

## **FOR IMMEDIATE RELEASE**

Milford Citizens and Businesses,

The City of Milford is committed to providing efficient and effective services to our citizens and business community. The City remains fully engaged with Federal, State and Local governments regarding public information associated with COVID-19. As Mayor, I want to assure our citizens and businesses that transparency is important to the City and will remain a priority in providing public information.

As we navigate this uncharted territory please be assured that the Milford Police Department, Milford Community Fire Department and City Administration are engaged and in constant communication with Clermont and Hamilton County Emergency Management Agencies and Public Health Departments as well as state and federal sources. At this time the City has no intention of implementing any additional mandates or sanctions other than what is currently recommended by our State and Federal governments.

The City of Milford will continue to deliver a standard of excellence in essential public safety services as well as provide quality delivery of critical water and sanitary sewer utility services. Your safety and well-being is our top priority. For those citizens and businesses interested in conducting business transactions with the City remotely, please know that you can easily pay your Milford utilities, taxes and citations online. It is easy, fast and secure. For more details, please call the City office at 513-831-4192 or visit the City website at [www.milfordohio.org](http://www.milfordohio.org).

In closing, our City Council and City employees are dedicated public servants and remain attentive in providing the best level of comfort and security to our citizens and business community. If you have any questions concerning City services, I encourage you to please contact City Hall at 513-831-4192.

Sincerely,

Mayor Amy Vilardo
