

# monte pride day

Dear Montezuma Business,

Montezuma Community Development and the Montezuma Community School District are pleased to be hosting the **5<sup>th</sup> Annual Monte Pride Day** - bringing together students, business and public volunteers for another city-wide community service day.

The 2015, 2016, 2017 and 2018 events were extremely successful, and we are excited to continue building a tradition of giving back. Over six hundred volunteers and thirty businesses have participated over the past three years, representing nearly a \$100,000 investment in our community of Montezuma!

We are beginning to put together a project list for Monte Pride Day 2019. Students we be working at the West City Park, Jackson Township & Masonic Cemetery, on the school grounds and at many other locations! Lunch will be served on the school lawn to cap off the day.

We are asking for the help of our local businesses in three ways. Our Committee greatly appreciates any form of partnership!

**1. SPONSOR** - The focus of Monte Pride Day is giving back to the community, but a financial need exists to make the day a success. All sponsorships of \$100 or more received by Monday, April 1<sup>st</sup> will be honored on the back of the Monte Pride Day t-shirts.

**2. VOLUNTEER** - Gather of group of your employees who are able to volunteer for half a day. Fill out the enclosed form and return it to City Hall by April 1.

**3. SUBMIT** - We can always use more projects! Please submit any service assignment ideas to our committee ([alexa@zumazoodaycare.com](mailto:alexa@zumazoodaycare.com)) and our committee will work hard to coordinate the completion of as many projects as possible.

**Thank you for your support.**

We appreciate your partnership instilling the value of service and volunteerism in our students.
