

**Montezuma Municipal Light & Power  
Energy Efficiency Rebate Program  
Residential and Commercial  
January 1, 2017 thru December 31, 2017**

Beginning January 1, 2017 Montezuma Light & Power will be offering a new Energy Efficiency Rebate program to both its Residential and Commercial Customers.

The rebate program is open to all customers, in good standing, with Montezuma Municipal Light & Power.

All items must meet the guidelines set forth in the rebate program.

Montezuma Municipal Light & Power will have final approval on all rebates.

Montezuma Municipal Light & Power's objective is to encourage, you , our customer, to install energy-efficient measures in existing and new facilities, so that we may continue to hold down the more expensive costs of building or buying ways to meet higher energy demands.

Since the beginning of the Rebate Program In 2010, MMLP Customers have saved over 2,000,000 KWH in Energy

For more information on this program and to pick up an application, please stop in at our office during regular business hours, 8:00 am to 4:00 pm, Monday thru Friday, or give us a call at 623-5102 and we will be happy to answer your questions.

Thank you,  
Montezuma Municipal Light & Power  
Kevin Kudart , Superintendent

## Energy Rebate Application Form

### 2017

**APPLICATION DIRECTIONS:**

1. Equipment must be installed in a business or home located in MMLP's service territory. Equipment must be purchased and installed between January 1, 2017 and December 31, 2017 to qualify for the 2017 rebate program.
2. **After equipment is installed and operating**, complete this application, including the signature.
3. Attach copy of original sales receipt(s) / invoice(s) / energy star guide, to the rebate application. The receipt(s) must indicate the purchase date, quantity, and price.
4. Mail or bring the completed application to: Montezuma Municipal Light and Power Offices. Please allow 4 to 5 weeks for payment.

**TERMS AND CONDITIONS**

- MMLP does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. MMLP makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty or merchantability or fitness for a particular purpose. In no event shall MMLP be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.
- MMLP reserves the right to cancel or change these programs at any time.
- MMLP acceptance of this application does not guarantee payment of the incentive.
- Prior to any payment of rebates, MMLP reserves the right to verify sales transactions and installation.
- MMLP will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.
- MMLP does not endorse any particular manufacturer, product, system design, claim, or retailer in promoting this program.
- \$2500 Rebate Limit Per Customer Per Year
