February 17, 2020

The City Council of the City of Montezuma met in regular session at Montezuma City Hall on February 17, 2020. The meeting was called to order at 6:00 p.m. with Mayor J. Bolen presiding.

PRESENT: Willrich, C. Bolen, Eichenberger, Webb & Watts

ABSENT:

ALSO, PRESENT: Travis Johannes, Derek Bates, Mark Ewing, Bob & MaryAnn Grife, Andy Erselius & Daryl Eichenberger

Councilmember Willrich made the motion to approve the consent agenda consisting of the following:

- Claims
- Minutes from 2-4-2020 meeting

A second was made by Councilmember Webb. Ayes: all, Nays: none.

Robert and MaryAnn Grife informed the Council they had had a water leak in the garage of their rental property located at 200 East Harrison Street. Grife stated that there is no drain in that garage so the water did not pass through the sewer and was inquiring about some kind of relief for the sewer portion of the leak. Grife has already paid part of the sewer bill. Councilmember C. Bolen discussed the fact that part of the sewer bill due to the leak had already been paid and made a motion to waive the remaining sewer amount of \$256.52. A second was made by Councilmember Willrich. Ayes: all, Nays: none.

Ewing stated that Gary Morse has an issue with standing water on his sidewalk located at 404 North 4th Street. When 4th Street was rebuilt, the engineers put in a new curb but the sidewalk at this location seems to sit lower resulting in water retention. With winter here the water freezes making the sidewalk dangerous. Ewing said he could rent a grinder and reduce the height of the curb to help eliminate the amount of water collected on the sidewalk area. The Council agreed this would be a good solution to the problem area.

A motion to adjourn at 6:10 p.m. was made by Councilmember Watts with a second by Councilmember C. Bolen. Ayes: all, Nays: none.
