
CITY OF MONTEZUMA SOUTH DIAMOND ADDITION

General Use Restrictions & Building Specifications

The Lots in SOUTH DIAMOND ADDITION shall be held, occupied, sold and conveyed subject to the following use restrictions and building specifications, as well as those restrictions set forth elsewhere in this Declaration:

Uses.

(a) Single-Family Residences. Lots A-U (1-21) shall be reserved for Single-Family Lots. The use of Single-Family Lots in SOUTH DIAMOND ADDITION shall be limited to Single-Family residential dwellings and shall be developed with not more than one single-family dwelling on each Single-Family Lot in the final applicable plat or replat and may be developed only with such other uses of land or structures customarily incidental and subordinate to the single-family residential use unless such uses or structures are otherwise regulated or prohibited by this Declaration. Construction on all Single-Family Lots must begin within twenty-four (24) months of purchase and closing from Declarant and must be completed within 36 months. In the event construction does not commence within said period, Declarant may, at its option, repurchase the applicable Single-Family Lot at 90% of the previous sales price.

(b) Multi-Family Residences. Lots V-DD (22-31) are limited to duplex or townhouse construction. Site plan for construction of these lots must be approved by the City prior to construction. Townhouses may be built over several lots but only with the permission of the City and approval of site plan. All other provisions of this section apply to these lots except minimum duplex and townhouse size which shall be as follows:

All duplexes must have a minimum of 1100 square feet of finished area directly under one roof.

All townhouses must have a minimum of 1100 square feet of finished area directly under one roof for 2 story.

(c) If an Owner does not commence construction within six (6) months after the purchase of a Lot from Declarant, the Owner shall seed the Lot with grass and maintain it in accordance with the Landscaping section.

(d) Business Activity. No full-time or part-time business activity may be conducted on any Lot or in any building or structure constructed or maintained on any Lot, except to the extent of a non-retail home occupation approved by the City and except that home builders may maintain model homes during construction.

Architectural Standards. The following architectural standards shall apply to the development of all Lots in SOUTH DIAMOND ADDITION:

(a) Character. No building or structure shall be constructed, altered or maintained upon any Single-Family Lot other than a detached single-family dwelling with an attached private garage and such other accessory structures thereto permitted by this Declaration. In order to preserve the general design for development of the Lots in SOUTH DIAMOND ADDITION, no single-family dwelling of any kind, or addition thereto, shall be erected upon any Lot unless the plan, design, building materials, exterior colors and location thereof shall have been first approved by Declarant for so long as Declarant owns any Lots in SOUTH DIAMOND ADDITION. Each dwelling must have an approved building permit and comply with all City codes and ordinances.

(b) Siding. Siding material variations on the elevation for accent purposes are encouraged, but the overall character and predominant siding must be consistent on all four elevations of the structure. Siding shall not have a reveal of greater than 8'.

(c) Roof Materials. Roof material shall be slate, tile, cedar shakes, or composition shingles. Composition shingles shall be architectural grade, minimum twenty-five (25) year warranty. Standing seam metal roofs are also permitted. All vents and other roof penetrations should be located on the rear elevation wherever possible. Gutters should be part of the fascia detailing. Gutters and downspouts shall coordinate with the colors of the surfaces to which they are attached.

(d) Garages. All houses shall have, as a minimum, a one or two-car attached garage with a poured concrete floor. Each house shall provide off-street parking for two cars on paved surface with a poured concrete floor.

(e) Minimum Single-Family House Sizes. All single-family homes shall contain a minimum square footage of living space exclusive of attached garages, breezeways, porches, and finished basement areas as follows:

(i) All one-story dwellings must have a minimum of 1,200 square feet of finished area directly under the roof.

(ii) All one and one-half story dwellings must have a minimum total finished floor area of 1,400 square feet.

(iii) All two-story dwellings must have a minimum total finished floor area of 1,600 square feet.

(iv) All split-level, raised ranch, or split foyer dwellings must have a minimum of 1,400 square feet of finished area directly under the roof.

(f) Outbuildings. One outbuilding will be allowed per lot, with architectural design to coincide with the primary residence and constructed in the side or rear yards of the lot. Outbuildings shall be no greater than 875 square feet.

(g) Building Elevation and Drainage Standards. The finished grades for single-family homes constructed on each Lot shall be established to permit positive drainage away from such single-family homes.

Landscaping.

(a) Single-Family Lots. On each Single-Family Lot, the Owner at the time the dwelling is first occupied is required to plant, a minimum of one deciduous tree. Trees shall be a minimum of 2" caliper in diameter, 10' – 12' in height, and have a minimum spread of 4'. Street Trees shall be planted in the front yard of the Single Family Lot, outside the public right-of-way, but within any street tree easement, if any, upon such Single-Family Lot, or if there is no street tree easement, as near to the right-of-way as possible and not within an easement area without the consent of the easement holder.

Within one hundred and eighty (180) days after completion of the single-family home upon a Single Family Lot, the front yard, side yards and the twenty-five feet (25') of the rear yard measured from the rear of the dwelling foundation shall be fully seeded or sodded, and the remainder of the rear yard to the rear Lot line shall be seeded or sodded.

If weather conditions make the time elements of the requirements of this Section 2.03(a) impossible to fulfill, Declarant shall establish a reasonable period of time for compliance.

No offensive or hateful yard displays of any kind.

Fences And Hedges. No fences, walls, hedges or barriers shall be permitted upon Lots or adjoining property lines except as follows:

- (a) Walls and fences along rear property lines and side property lines shall not exceed six (6) feet in height.
- (b) The fence fabric or fence screening material shall be mounted on the exterior face of the fence posts or fence framing. All fences shall be kept in good repair and attractive appearance.
- (c) No fences shall be built forward of the center line of the house built on a Lot, other than front yard decorative fence. All rear fences shall be either wood, decorative wrought iron, or chain link. All wood fences shall be natural in color, stained, or painted in soft, earth-tone colors so as to blend in with the terrain. Front yard decorative fences shall be either painted wood, metal, or vinyl, open "picket" type, and be a maximum of 42" high.

Driveways. No single-family home shall be constructed, altered, or maintained on any Lot unless it has a driveway from a street running to the single-family dwelling. All parking and driveway areas shall be hard surfaced, using a suitable thickness of poured concrete or asphalt installed in a manner suitable for vehicular traffic.

Garbage Cans and Equipment; Outside Storage. No trash receptacles, dumpsters, garbage cans or recycling bins shall be permitted to be located upon a Lot unless hidden by an attractive screen of suitable height or unless sunken to ground level in a hole lined with permanent cribbing, except that garbage cans, trash sacks, recycling bins, yard refuse bags and other materials for collection by an authorized refuse collector may be placed at the pickup area designated by the City or its authorized refuse collection company on the day before collection and may remain until the evening of the day of the scheduled collection of the same. Items such as compost containers, lawn or garden equipment, building materials, and other similar items shall be placed out of public view. Firewood shall not be stored on the front or side of a house. Stacked firewood in excess of 4' long by 3' high shall be adequately screened from view and must be stacked in the rear yard and be at least twenty feet (20.0') from any rear or side yard Lot line. No material may be permanently stored in the front yard or side yard of a house, and no material of any kind shall be stored in a rear yard unless appropriately covered or screened from view by neighbors.

Temporary Structures; Mobile Homes. There shall be no occupancy of temporary structures or partially completed structures, no home or other building shall be moved onto any Lot from outside SOUTH DIAMOND ADDITION, and no mobile homes or manufactured homes shall be permitted at any time.

Swimming Pools. Hot tubs and swimming pools are allowed provided that any hot tubs which are not below ground are skirted in wood or other materials approved, in writing, by Declarant, for so long as Declarant owns any Lots in SOUTH DIAMOND ADDITION. All swimming pools and hot tubs shall be located only in rear yards and shall be screened by a fence.

Satellite Dishes & Solar Panels. Satellite dishes or parabolic devices in excess of 22" in diameter used to receive television or other signals from satellites shall not be permitted. The satellite dishes or parabolic devices shall be mounted on the rear elevation or the rear half of the side elevation only. Solar panels shall be mounted on the roof.

Livestock and Poultry Prohibited. Property owner must comply with City Ordinance Chapter 55, Animal Protection and Control, or its successor ordinance.

Utilities and Utility Meters. All utilities are to be provided by the City and subject to City rules and regulations. Utility meters shall be hidden architecturally or through the use of remote reading devices. No private wells or septic systems shall be permitted on any Lot.

Security Lighting. Security lighting for driveways, parking and other external areas shall be designed, located and directed in a fashion that will avoid direct lighting onto adjoining Units or Lots. Other than security lighting, no light poles are permitted on any Unit or Lot, except for decorative lights in the back yards for pool lighting.

Noxious Activities. No noxious or offensive activity, noise or odors shall be permitted on or to escape from any Lot, nor shall anything be maintained or done thereon which is or may become an annoyance or nuisance, either temporarily or permanently. Owners must comply with all City ordinances in this regard. No livestock or poultry permitted.

Maintenance of Lot. Property Owners must comply with all City ordinances on weed control and lot maintenance.

Construction Clean Up and Maintenance. Each Owner shall confine all of its construction activities solely to its Lot, shall keep its construction site clean, shall prevent any damage to any of the Declarant Improvements constructed or to be constructed by Declarant or by anyone else, and shall prevent any dirt, construction debris or other material from its Lot from being washed, blown, thrown, dumped, deposited or otherwise getting into the storm sewers, any storm water detention ponds, any overland flowage ways, the public streets, the public sidewalks or trails or onto any other Lot in SOUTH DIAMOND ADDITION. Weekly cleanup of trash and debris is required. During construction, the Owner shall install and maintain silt fences or equivalent erosion control on the downhill property line(s) from construction on its Lot. Owners are responsible for their contractors or subcontractors. Such Owner shall promptly repair any such damage and restore all such facilities, other Lots and public streets to their condition immediately prior to such damage, destruction or deposit of dirt, construction debris or other material. If an Owner fails to adequately keep its construction site or the street clean or fails to repair any such damage and restore such facilities, other Lots or public streets, and such failure continues for more than three (3) days after written notice from the Declarant in whose plat such Lot is located or the Association, then such Declarant or the Association shall have the right and easement to enter upon the premises and perform such clean up, repair or restoration at the expense of the Owner of the Lot where such construction site is not adequately maintained or whose construction activity caused dirt and debris to be deposited upon the Lots of others or the public streets, and shall have a right of action against the Owner of such Lot for collection of the cost thereof, plus the reasonable costs, including attorney's fees, of collecting such amount, plus interest at the lesser of (a) twelve percent (12%) per annum, or (b) the maximum rate allowed by law, from the date such cost is incurred, and shall have a lien against such Lot from the day an affidavit reciting the giving of such notice, the performance of such work and the cost thereof is filed in the Office of the Recorder for Poweshiek County, Iowa until such amount, plus the reasonable costs, including attorney's fees, of collecting such amount and costs of filing of such lien, incurred by the lienholder is paid.

Requirement and Limitations with Respect to Public Easements Located upon an Owners Lot. Easements for the installation and maintenance of sanitary sewers, public utilities, storm sewers, surface water flowage areas and drainage ponds and related facilities and water mains are reserved as shown on the recorded plat of SOUTH DIAMOND ADDITION and recorded easements, or any replat, of any portion thereof The Owner of any Lot in SOUTH DIAMOND ADDITION shall, at such Owner's expense, keep and preserve that portion of such easements within such Owner's property, at all times, in good condition, and shall neither erect nor permit erection of any building or structure of any kind nor

permit any growth of any kind within such easement area nor change the grade of any such easement area in any manner that might interfere in any way with the use, maintenance, repair, restoration or replacement of any of the utility services, drainage, or sidewalks located in said easement area, without the prior consent of the City or utility company or person or entity for whose benefit such easement runs. Any such building or structure erected, growth permitted, or change in grade made within an easement area without such consent may be removed or regraded by the person for whose benefit such easement runs in the exercise of any rights granted by such easement without any obligation to such Owner to restore, repair or replace such building, structure, growth or change in grade.
