City of Myrtle Beach
Zoning Board of Appeals
Application Information

- Board meets the second Thursday of each month.
- Hearings are held in the large conference room located in the City Services Building at 921 N Oak St
- Hearings begin at 1:30pm
- Hearing agenda sets the order in which cases will be heard. The agenda is prepared in the order in which applications are received
- The deadline for receipt of any application is 12:00pm, fourteen (14) workdays prior to the hearing. This normally is twenty (20) calendar days prior to the hearing date
- A non-refundable $100.00 filing fee must accompany the application
- Incomplete applications cannot be accepted.
- To assist the Board in its decision, additional information may be provided such as photographs, detailed plans or drawings with accurate measurements, letter of support from surrounding neighbors etc.

An application consists of two parts; Form 1 – Notice of Appeal and the specific type of request form:

- Form 2 – Appeal of a Decision of the Zoning Administrator
- Form 3 – Variance Application
- Form 4 – Special Exception Application (see Administrator for this form)

It is important to carefully complete all the required information on each form.

The Zoning administrator is available to answer any questions you may have regarding the filing of an appeal, however, the administrator cannot fill the form out for the applicant nor can he furnish specific instructions on how to answer any of the questions. For example, the responses to the four questions required in order for a variance to be granted must be prepared by the applicant.

Variance Application  
Board of Zoning Appeals

Date Filed_________________ Permit Application No._____________ Appeal No._____________ Hearing Date____________

1. Applicant hereby appeals to the Board of Zoning Appeals for a variance from the strict application to the property described in the Notice of Appeal [Form 1] of the following sections of the Zoning Ordinance:

so that a permit may be issued to allow use of the property in a manner shown on the attached plot plan, described as follows:

for which a permit has been denied by a zoning official on the grounds that the proposal would be in violation of the cited section(s) of the Zoning Ordinance.

2. The application of the ordinance will result in unnecessary hardship, and the standards for a variance set by State law and the ordinance are met by the following facts. [Note: All four conditions (a. through d.) must be answered and found to be factual before the board can consider granting a variance]

   a. There are extraordinary and exceptional conditions pertaining to the particular piece of property as follows:

   b. These conditions do not generally apply to other property in the vicinity as shown by:

   c. Because of these conditions, the application of the ordinance to the particular piece of property would effectively prohibit or unreasonably restrict the utilization of the property as follows:

   d. The authorization of the variance will not be of substantial detriment to adjacent property or to the public good, and the character of the district will not be harmed by the granting of the variance for the following reasons:

3. The following documents are submitted in support of this application: [A plot plan must be submitted.]
