MEMORANDUM
GUIDANCE ON EMERGENCY BUSINESS LICENSE DUE DATES AND PAYMENT OPTIONS

On April 2, 2020, City Council adopted a Resolution instructing the City Manager to issue Temporary Order No. 4B, which authorizes the following:

- Postpones the date for business license renewals and payments so that license taxes coming due on April 30, 2020 will be payable without penalty by June 30, 2020.
- Directs the Chief Financial Officer to develop guidelines for a program of relief for businesses that are “suffering drastic reductions in revenues and cash flows and will be feeling the effects of the consequent economic slowdown throughout much of the license renewal period.”

Per the Resolution and Temporary Order, the following guidelines will apply for the renewal of business licenses for the 2020-2021 license year as well as for franchises renewing while Order No. 4B is in effect.

**Temporary deadline for payment without penalty.** All business license renewal payments will be due on April 30, 2020 and payable without penalty on or before June 30, 2020.

**Payment Plan Options.** Businesses that have been closed by official governmental orders, or whose business plan has been disrupted because they were subject to such orders, may request an emergency payment extension for the 2020-21 license year. All such requests must be made in writing on forms provided by the Financial Services Department. Copies of the “Emergency Payment Plan Request” and the “Emergency Payment Extension Agreement” to be used in this connection are attached to this memorandum. In administering this program, the Financial Services Department will observe the following guidelines to determine eligibility and to implement this special program:

- The business must have been closed per the terms of one of the following official governmental orders:
  - Governor’s Executive Order 2020-21, dated April 6, 2020, (the “Governor’s Order”), Sec. 1.D.; or
  - City of Myrtle Beach Temporary Order No. 3, as amended through April 6, 2020 (the “Temporary Order”), Sec. 3;

**OR**

- It must have been subject to the restrictions of:
  - Governor’s Order, Sec. 1.E.2. with respect to “online ordering, home delivery, and curbside pick-up and delivery options wherever possible as opposed to in-store shopping;” or
  - The Temporary Order, Sec. 2.

- The business must make complete application for renewal on or before June 30, 2020. “Complete application” means:
  - a fully filled-in renewal application form, together with
  - a payment of at least 10.0% of the amount due per the application, and
  - a completed Emergency Payment Plan Request form for the balance due amount.
Once the business’ eligibility has been established,

- the City and the business will enter into an Emergency Payment Extension Agreement (the “Agreement”), which will provide for the renewal license tax to be paid in installments for a period of time ending no later than August 30, 2020;
- no penalties on the license tax will apply during the term of the Agreement;
- the Agreement will provide for an interest rate of zero (0.0%) through the August 30, 2020, final payment date.
- If a business does not complete its payments under the Agreement by August 30, 2020, then the business must make written application to the Financial Services Department for other payment arrangements in order to avoid further enforcement actions. The Department will provide forms for that purpose upon request.
- Beginning on August 31, 2020, penalties will be applied to any balance remaining due and customary interest charges will apply for any additional payment arrangements.

H. Subject to the emergency rules and restrictions set forth below, this Section does not prohibit the continued operation of retail stores, as set forth above, for the limited purpose of fulfilling online or telephone orders or providing alternate means of purchasing or delivering products or services—to include curbside purchase, pickup, or delivery and home or off-site delivery—provided that such options or measures can be implemented in a manner that facilitates and maintains effective “social distancing” and is consistent with any applicable guidance issued by state and federal public health and safety officials.

I. As applicable and to the maximum extent possible, to further promote “social distancing,” facilitate self-isolation, and otherwise prevent potential exposure to COVID-19, businesses and organizations are also encouraged to utilize telecommuting or work-from-home options for employees and to provide alternate means of purchasing and delivering products and services, to include online or telephone orders and curbside or off-site deliveries, and individuals are encouraged to utilize such options to support businesses in this State during the ongoing public health emergency.
