Service Retirement

All regular city employees are members of the South Carolina Retirement System, and both the city and the employee make contributions to the retirement program, regulated by the state. For 2019-20, a regular employee contributes 9% of his/her salary and the city contributes another 13.56% to the SCRS. A police or fire employee contributes 9.75% of his/her salary and the city contributes an additional 16.24% to the PORS.

Employees in the SCRS prior to July 1, 2012, can retire with full benefits after 28 years of service in the system or at age 65 or older with five years of service. Employees may take early retirement at age 60 with at least five years of service credit or at age 55 with at least 25 years of service credit.

Law enforcement officers and firefighters in the PORS prior to July 1, 2012, can retire with full benefits with 25 years of service or at age 55 with five years of service. Employees who go into the SCRS after July 1, 2012, must meet the “Rule of 90.” This means that the employee’s age and years of service credit must add up to 90 or be at least 213 (d). The dependent day care plan is for expenses that are not covered under the insurance plan.

Other employee benefits include an optional Flexible Spending Account. This plan is a tax-deferred savings account established by the city to help employees meet certain medical and dependent day care expenses that are not covered under the insurance plan.

The flexible spending plan allows employees to contribute pre-tax dollars to cover deductibles, co-insurance, co-pays, vision, prescription and other qualified medical expenses covered under IRS Code 213 (d). The dependent day care plan is for child or elderly dependent care expenses.

Under certain conditions, active regular employees as of June 30, 2019, will have $100,000 available in a Retirement Health Contribution Account (RHCA) to pay health insurance premiums and medical expenses subsequent to retirement. The conditions are a) qualification for retirement under the SCRS or PORS system and b) 20 years of service to the city, the last 10 of which must have been consecutive.

Active regular employees with 15-19 years of service as of June 30, 2019, who meet the eligibility requirements to retire will have $50,000 in an RHCA for medical premiums and expenses.

Employee Assistance

The Employee Assistance Program (EAP) is a confidential, worksite-based program designed to assist both employees and employers. The EAP provides assessment and referral in-person or over the telephone for personal matters.

Eligible employees and dependents are entitled to six free sessions per issue, per benefit year. For help, call the Employee Assistance Program at 855-365-4754.

Optional Benefit Programs

Optional benefit programs include the following pre-tax savings plans: Deferred Compensation 457/401k; Roth 401(k) and 457; and ICMA Retirement Corporation Compromise 457. The full cost of these optional benefits is borne by the employee through payroll deduction.

Optional insurance plans include cancer, accident, critical care, medical bridge, voluntary term life and longterm disability.

Part-time (regular) employees’ bonus is based on the number of hours they are scheduled to work. Temporary employees do not receive a holiday bonus.

Each employee also receives a turkey coupon for the Thanksgiving holiday.
