PURPOSE:

To seek Council's input for an agreement with Crowder College Golf Teams and the use of the Neosho Municipal Golf Course.

BACKGROUND:

This was brought to Council in March. Staff was asked to reach out to Crowder College to find out what Crowder College would want to include in an agreement with the City of Neosho regarding the Crowder Golf Team.

Attached is a document that has been viewed by Neosho City Staff and Crowder College Officials.

RECOMMENDATION:

To seek Council's guidance on an agreement with Crowder College for the use of the Neosho Municipal Golf Course.

Crowder College Men's and Women's Golf Team
Use Agreement For
The Neosho Municipal Golf Course

- For practicing and playing competitive matches the city waives any fees associated with the use of the Golf Course except collegiate tournaments. This includes.
 - Practice areas
 - Practice balls
 - Course of play with the following conditions.
 - Players must follow common course etiquette.
 - Tee times will be made each day for the use of the golf course for practice matches.
 - Practice balls used are to be cleaned and returned to the club house after each use.
 - Repair all divots resulting from golf team use.
 - Retrieve and clean practice balls used on the range or putting green.
 - The use of golf carts will be charged at the normal rate set by the Neosho City Council.
- Crowder College will provide a Golf Team Membership Card or similar form of golf team identification and a list of current golf team members to the Golf Pro Shop Manager at the start of each season. All other collegiate players not included on the players list will be treated as described in the Neosho City Council approved golfing rates document.
- Collegiate tournaments requiring the use of the practice areas, practice balls, and/or the course of play, fees for such tournament shall be set by the Neosho City Council.
- Crowder College Golf Team allows team members to volunteer at each individual team member's discretion and availability.
