INCENTIVES OFFERED IN ENTERPRISE ZONE

4.1 Abatement of Real Estate Taxes on Eligible Improvements. The Owner of an Eligible Improvement may upon payment of the fee provided by paragraph 3.4 of this Agreement receive

an abatement of real estate taxes levied by Taxing Districts which have approved an abatement of such taxes against Eligible Improvements subject to the following conditions:

- A. The abatement shall apply only to the real estate taxes corresponding to an increase in equalized assessed valuation after an Eligible Improvement has been duly assessed. The abatement shall not exceed the amount of such taxes attributable solely to the Eligible Improvement.
- B. The abatement shall apply only to Eligible Improvements commenced within the Enterprise Zone after designation of the Enterprise Zone by the Participants and certification of the Enterprise Zone by DCEO after approval of the Enterprise Zone by the Enterprise Zone Board.
- C. The abatement for an Eligible Improvement shall be in effect only for a period of five years commencing with the first year after the Eligible Improvement has been assessed.
- D. While the abatement is in effect with respect to an Eligible Improvement, each Taxing District shall each year continue to receive all real estate taxes corresponding to the equalized assessed valuation of the parcel upon which the Eligible Improvement is located and all structures or parts of structures on the parcel other than the Eligible Improvement.
- E. An abatement of real estate taxes authorized by the Taxing Districts shall not take effect after the expiration of the Enterprise Zone, but any abatement which commences prior to expiration of the Enterprise Zone shall continue for five years even if the Enterprise Zone expires during that five year period.
- F. The abatement of real estate taxes authorized by Taxing Districts shall also apply within territory lawfully added to the Enterprise Zone subsequent to its initial certification by DCEO and shall also apply during any lawfully authorized extension of the term of the Enterprise Zone.
- G. The abatement of real estate taxes authorized by the Taxing Districts shall apply only to commercial and industrial facilities and shall not apply to single family residences or to multiple family residential facilities.

4.2 Abatement Resolutions from Taxing Districts. Each Participant shall be responsible for securing resolutions from each Taxing District having territory located within that Participant's component of the Enterprise Zone authorizing an abatement of real estate taxes on Eligible Improvements under the terms and conditions set forth in paragraph 4.1 of this Agreement.

4.3 Abatements Inapplicable to TIF Districts. Anything in this Agreement to the contrary notwithstanding, no real estate tax abatement shall be available to any Eligible Improvement located within the boundaries of any Tax Increment Finance (TIF) district designated by a Participant.

4.4 Issuance of Certificate of Eligibility. Each Participant shall have exclusive jurisdiction to determine whether or not an improvement within its component of the Enterprise Zone constitutes an Eligible Improvement which will receive the incentives available under the terms of this Agreement. Upon a determination by a Participant that improvements to real estate within the Enterprise Zone constitute an Eligible Improvement which will receive an abatement of real estate taxes to the extent approved by the Taxing District, an authorized representative of the Participant (which may in the discretion of each Participant be the Zone Administrator) shall issue a certificate of eligibility to the Owner of the Eligible Improvement. It shall be the responsibility of the Owner to file the certificate of eligibility with the County Clerk of the county in which the Eligible Improvement is located and to verify the application of the abatement.

4.5 Reduced Fees for Building Permits. Upon the submission of an application for a building permit for a project deemed by the Participant to qualify as an Eligible Improvement, fees for building permits required prior to construction of the Eligible Improvement shall be reduced by 0% in Pekin, 50% in Morton and by 100% in Tremont, ~~Pekin~~ and Tazewell County.

4.6 Availability of State Incentives. Nothing in this Agreement shall be interpreted to preclude the availability of incentives offered by the State of Illinois under the terms of the Enterprise Zone Act or any other authority.

ARTICLE V

EXPANSION OF BOUNDARIES AND OTHER AMENDMENTS

5.1 Area of Participant Components. The Participants stipulate that the area of each of their individual components of the Enterprise Zone is as follows:

		<u>Square Miles</u>	<u>Acreage</u>
Pekin Component	<u>3.70</u>	square miles 2,672.30	
Morton Component		<u>4.55</u>	square miles 2,845.4
Tremont Component	<u>-</u>	<u>.26</u>	square miles 130.6

Because the Enterprise Zone is located within the jurisdiction of four or more counties or municipalities, it appears that the maximum area of the Enterprise Zone is 15 square miles. Because the area of the Enterprise Zone as currently described has a total area of 14.8859 square miles, the Enterprise Zone may be eligible pursuant to Section 5.4 of the Enterprise Zone Act for an amendment to expand the boundaries of the Enterprise Zone.

Except as hereinafter provided, no Participant may seek additions to its component of the Enterprise Zone which in the aggregate exceed that allocation. In the event any Participant desires to seek one or more expansions of that portion of the Enterprise Zone within its

jurisdiction with an area which in the aggregate exceeds the aforementioned allocation, one or more other Participants may allocate all or any portion of their unutilized allocation to other Participants. In no event shall the area of the Enterprise Zone exceed 15 square miles.

5.2 Procedure For Expansion of Boundaries. Any Participant may in its discretion and without the consent of any other Participant apply to DCEO to expand the boundaries of that portion of the Enterprise Zone located within the corporate limits of the Participant subject to the limitations in the area of such expansion imposed by paragraph 5.1 of this Agreement. Any Participant seeking expansion of the Enterprise Zone within its jurisdiction shall pay all costs associated with the application and any approved expansion.

5.3 Other Amendments. Any amendment of the Enterprise Zone other than an expansion of the boundaries as authorized by paragraphs 5.1 and 5.2 of this Agreement, such as for a reduction in territory or a change in local incentives, and any amendment of this Agreement shall require the approval ~~unanimous consent~~ of all Participants.

ARTICLE VI

GENERAL PROVISIONS

6.1 Breach and Opportunity to Cure. Before any failure of any Participant to perform its obligations under this Agreement shall be deemed to be a breach of this Agreement, the Participant or Participants claiming such failure to perform shall notify in writing the Participant alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance is completed to the reasonable satisfaction of the complaining Participant or Participants within thirty (30) days after receipt of such notice, or in the case of a failure which by its nature takes in excess of thirty (30) days to cure, such longer period of time as may be reasonably necessary to cure the same provided that the curing Participant is pursuing said cure with due diligence.

6.3 No Other Agreements. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof and fully integrates the agreement of the Participants.

6.4 Consent. Except as otherwise provided herein, whenever consent or approval of any Participant is required, such consent or approval shall not be unreasonably withheld or unduly delayed.

6.5 Paragraph Headings. Paragraph headings and references are for the convenience of

the Participants and are not intended to limit, vary, define or expand the terms and provisions contained in this Agreement and shall not be used to interpret or construe the terms and provisions of this Agreement.

C. INCENTIVES BEING AFFECTED

As initially established in the Southern Tazewell Enterprise Zone in 2016, each Participant agreed to reduce local building permit fees required prior to construction of an Eligible Improvement in the enterprise zone. Moreover, each Participant may further charge to a developer in the enterprise zone an Enterprise Zone Fee, in the amount of .5% of the cost of building materials incorporated into an Eligible Improvement, with a maximum fee being capped at \$50,000.

With the expansion of the Enterprise Zone to all major development areas of the City of Pekin that will require adequate and appropriate building code inspections, the City of Pekin shall make its building permit fees applicable for all projects located in the enterprise zone. Building permit fee revenues generated from projects in (and out) of the enterprise zone will help defray the costs of required building inspections to ensure proper compliance with building codes.

Developers in the STEZ will instead benefit from the following offsets:

- The City shall waive 100% of the Enterprise Zone Fees charged to any developer building in the STEZ.
- The STEZ overlaps with other development districts in Pekin, such as a tax increment finance district and business development district, which can be utilized by developers to achieve further incentives to lower development costs.

All other local incentives, such as the tax abatement for 5 years for any increase in equalized assessed value for eligible Improvements in commercial and industrial facilities outside of a tax increment finance district, still apply.
