Where any employee contends either the City, the Union, or both, have failed to fulfill their duties under the ADA, the employee may pursue relief under the grievance and arbitration procedure of this Agreement, provided the employee gives the City and the Union written notice of his contention(s) and agrees his contentions shall be submitted to arbitration proceedings which shall be final and binding upon him. An employee may request accommodation through the Human Resources office in compliance with the ADA.

The Union agrees to furnish the City with a list of deductions to be made from the pay of each employee. The Union shall furnish to the City a list of the appropriate deductions for such employees, and shall accord those employees those rights provided for by the Illinois Public Labor Relations Act.

ARTICLE 3 **GRIEVANCE PROCEDURE AND ARBITRATION**

Section 1: Definition. A "grievance" shall be defined as a dispute or difference raised by an employee or the Union against the City involving the alleged violation, application, meaning or interpretation of one or more of the express provisions of this Agreement.

Section 2: Representation. Grievances may be presented by the Union on behalf of an employee or a group of employees. Where an individual employee submits a grievance without the Union, the Union shall be given a copy of the written grievance and notified of any meetings to consider the grievance so that its representative may attend. Employee(s) shall be entitled to representation by the Union at each step of the grievance procedure upon request.

A grievance may be filed by or on behalf of two (2) or more employees only if the same facts, issues, and requested remedy apply to all employees in the group. Group grievances involving two (2) or more departments shall be filed only by the Union and shall be filed directly with the City Manager's Office at Step 2, but may thereafter be referred to a lower step where appropriate to investigation or consideration of the grievance.

Section 3: Subject Matter. A grievance shall be in writing, submitted on a form approved by the parties, shall contain a statement of the facts and circumstances prompting the grievance, the Article(s) and Section(s) of this Agreement alleged to have been violated, the date(s) the alleged violations occurred, the relief sought, and the name(s) and signature of the grieving or affected employee(s) and the date of submission. Only one subject matter shall be raised in any one grievance.

Section 4: Step One. Where any employee or employee group have a dispute,

disagreement or complaint, whether the subject matter constitutes a grievance as defined above or not, the employee(s), accompanied by a union steward if the employee(s) desire, may submit the matter to their immediate supervisor or the department head and attempt a satisfactory solution, provided that the employee(s) and supervisor or department head shall have no authority to make or agree to any arrangement or solution which conflicts with the provisions of this Agreement.

The written grievance shall be submitted to the department head of the department involved in the grievance, who shall, within seven (7) calendar days after submission, meet with the grievant and the union steward to investigate the grievance and attempt to resolve the grievance. Any grievance resolution shall be documented in writing and submitted to the Union's Business Agent and the City Manager for that department for their approval. Where no resolution is achieved at the meeting, the department head shall respond to the grievance in writing within seven (7) calendar days of the meeting, and deliver a copy of the response to the grievant and the union steward.

Section 5: Step Two. Within seven (7) calendar days of the response at Step 1, or the date response was due if none is provided, the grievant or the Union may appeal the grievance to the City Manager by written notice of appeal, to be submitted to the department head. The City Manager may arrange a meeting with the grievant, the Union Steward and department head, or with the Business Agent and department head, to consider the grievance within seven (7) calendar days of notice of appeal, or respond to the grievance in writing within seven (7) calendar days of notice of appeal. Where a meeting is scheduled, a response to the grievance shall be made by the City Manager in writing within seven (7) calendar days after the meeting. Any resolution agreed to by the parties shall be reduced in writing and signed by the parties. If no acceptable resolution occurs, the City Manager shall respond to the grievance in writing to the Business Agent within fourteen (14) calendar days of the meeting with the Business Agent.

Section 6: Arbitration. If no satisfactory resolution of a grievance is agreed upon at Step 2, the Union may appeal the grievance to arbitration by written notice of the appeal, submitted to the City Manager's office within fourteen (14) calendar days after the written response at Step 2, or the date a written response was due, if none is provided. Representatives of the Union and the City shall, within seven (7) calendar days after notice of an appeal to arbitration is submitted, confer, either in person or by telephone, to attempt to agree upon a neutral, third party arbitrator. If no agreement upon an arbitrator is reached, the parties shall submit a request for a panel of five (5) arbitrators to the Illinois State Labor Relations Board jointly, or the Union may submit a request unilaterally. Either party may reject one (1) arbitration panel and request another panel. Upon receipt of an acceptable arbitration panel, the parties shall alternately strike from the panel until one person remains, with the party who requested that panel striking first. The remaining panel member shall be notified jointly by the parties of his selection to serve as Arbitrator and requested to schedule a hearing on a date when the parties are available. Hearings shall be held at the City of Pekin unless otherwise agreed. The Employer and the Union shall have the right to request the Arbitrator to require the presence of witnesses and /or documents. Each party shall bear the expense of its witnesses. The fees and expenses of the arbitrator together with the cost of the

hearing facilities, if any, shall be shared equally by the parties. Where either party requests the hearing be transcribed, the party requesting the transcript shall pay for the cost of transcription unless the other party intends to use the hearing transcript, in which case the parties shall share the cost equally.

The Arbitrator's power and authority shall be confined to consideration of the grievance(s) submitted and to interpretation and application of the express terms of this Agreement. The Arbitrator shall have no authority to amend, modify, nullify, ignore, imply, add to or subtract from the express provisions of this Agreement. Section 3: Limitation. The requirement to use progressive disciplinary action does not prohibit the Employer the use of summary discharge or suspension upon any of the following grounds, when such charges are proven:

ARTICLE 5

COMPLETE AGREEMENT

Section 1: Except as authorized by this Agreement, the employer shall not enter into any contract or agreement with any bargaining unit employee(s), individually or collectively, which conflicts in any way with the provisions of this Agreement. Any agreements entered into in violation of the foregoing provision shall be void and without force and effect.

Section 2: Sponsorship. The employer shall not sponsor or promote, financially or otherwise, any group or labor organization, for the purpose of undermining the Union. The foregoing shall not be interpreted as an assignment of any work to any union, or as a basis for any jurisdictional claim to any work.

ARTICLE 6

SCOPE AND TERM OF AGREEMENT

Section 1: This Agreement, when approved and signed by the appropriate authorities for an don behalf of the City and the Union, shall be in full force and effect from May 1, 2020 to and including April 30, 2024, and shall thereafter continue in full force and effect for successive periods of one (1) year unless written notice of the desire to terminate or modify this Agreement is served by either party upon the other not less than sixty (60) calendar days prior to the date of termination.

Section 2: Modification It is further provided that where no such cancellation or termination notice is served and the parties desire to continue said Agreement but desire to negotiate changes or revisions in the Agreement, either party may serve upon the other a notice, at least sixty (60) calendar days prior to April 30, 2024, or April 30 of any subsequent year, that such party desires to revise terms or conditions of the Agreement.

Section 3: This Agreement shall apply only to the employees of the City of Pekin who are members of Local 627 of the Teamsters Union and working in the Wastewater Treatment Department of the City of Pekin, Illinois.

ARTICLE 7 **JOB VACANCY**

Section 1: Job Openings. Where an existing or a new job within the bargaining unit becomes vacant, and the City decides to refill or fill it, the City may elect to fill the vacancy by promotion, reassignment or transfer, or employment of a new hire.

Section 2: Notice. Where a job within the bargaining unit is vacant and the City intends to fill the vacancy, notice of the vacancy with a description of the job shall be filed with the City Personnel Office and posted at the location where the employees report to work for a period of at least one (1) week. Present regular full and part-time employees may submit a statement of interest in the vacant position to the department head where the vacant job exists, within ten (10) calendar days of the date of posting shown on the notice.

Section 3: Filling Vacancies. Except as specified elsewhere in this Article, the City shall evaluate the qualification and ability to perform the job duties, as measured by physical ability, prior education, training, experience, skill and demonstrated work habits, of those employees and/or outside applicants seeking the vacant position. Where two (2) or more employees or applicants possess equal qualification and ability for the vacant position, the employee possessing the greatest seniority in his or her present classification shall be offered the vacant position. For these purposes, full-time employees shall be considered senior to part-time employees, provided they have completed their initial probationary period. Employees successfully bidding for another position shall be subject to the evaluation period specified in Article 8, Section 1 of this Agreement.

Any employee bidding for any job vacancy may, prior to accepting the new job, withdraw his bid, provided that where this occurs, the City shall not be required to post the vacant job again

because employee(s) withdrew their bids. Employees withdrawing a bid shall be ineligible to bid for any further job vacancies for a period of ninety (90) calendar days, unless waived by the City. Any employee awarded a bid, and successfully demonstrating the ability to perform a job vacancy, shall be required to remain in the position, and shall be ineligible to bid for further job openings for six (6) months after successful completion of the probationary period, unless waived by the Employer.

Failure to qualify for a new or vacant position shall be based solely on qualification and ability, and shall not be for arbitrary or capricious reasons. Further, the use of skill or ability as provided under this Article shall only be for new or vacant positions that require a level of expertise which is reasonably more than that normally possessed by a Wastewater Treatment Department employee.

In the event that no bargaining unit employee either bids or qualifies for a new or vacated position, subject to the provisions of this Article, then the City may elect to fill the vacancy by promoting, reassignment, transfer or employment of a new hire.

ARTICLE 8 **SENIORITY**

Section 1: Seniority rights for employees shall prevail in all instances except where otherwise provided in this Agreement. In the event of a layoff, the last person hired shall be laid off first; and when the force is again increased, the persons are to be returned to work in the reverse order in which they are laid off; provided, however, the leadman shall be excluded therefrom and not affected thereby. Daily work assignments shall be by seniority subject to operational needs. Departure from seniority of daily work assignments due to operational needs shall not be for arbitrary or capricious reasons. Date of employment for the purposes of this contract is the initial date when employees were hired by the City.

Seniority shall prevail on higher classifications providing the ability to perform the available work is equal. This shall not be construed to mean the City has the right to say the employee's ability to perform the work is unequal unless they have given the employee a seven-day trial period to prove his ability.

All employees hired after August 2, 2005, shall be required to serve an initial probationary period of employment with the City of sixty (60) working days following their date of hire. By mutual agreement of the Employer, the Union, and the employee, this period may be extended an additional thirty (30) working days. Employees hired prior to August 2, 2005, shall not be required to serve a probationary period.

No casual employee shall be permitted to work daily or weekly overtime until all regular employees have been afforded the opportunity to work said overtime. Failure upon the City's part to comply will result in the payment of overtime to the regular employee in the amount worked by the casual employee.

Section 2: Termination Each employee's seniority and employment relationship shall terminate where the employee:

- (a) resigns or quits;
- (b) retires;
- (c) is discharged (unless returned to work through the grievance procedure or by legal decision);
- (d) is absent without notification for three (3) consecutive work days, except where the employee's failure to provide proper notice and reasons for absence is beyond the employee's control;
- (e) fails to return to work at the end of a scheduled vacation or authorized leave of absence;
- (f) fails to report for work within fourteen (14) calendar days after notice of recall from layoff is made by certified letter to the employee's last known address with verification of delivery;
- (g) is absent from work for any reason, including layoff, for a period equal to the lesser of the employee's seniority at the time the absence began, or three years.

In the event of an employee is absent due to sickness or injury which occurred either on or off the job, he/she shall continue to accrue seniority during the period of absence. The City agrees it will continue the employee's health coverage, subject to the employee's payment of the applicable portion of the premium, for the lesser of the employee's seniority at the time the absence began, or eighteen (18) months.

Section 3: No provision under this Article 8 shall be construed to apply to seniority rights upon a vacancy occurring in the position of leadman; and such position may be filled by the City without any reference to seniority rights, provided that it is filled from within the employees covered by this Agreement.

Section 4: Transfer Outside Bargaining Unit. The City retains the exclusive right to select those persons to fill positions outside the bargaining unit of this Agreement. Where any bargaining unit employee transfers to a position outside of this bargaining unit (including transferring to another bargaining unit) except on a temporary basis, the employee's seniority shall terminate after the date of transfer. Employees transferring outside of this bargaining unit to another bargaining unit, or to a position in the City not covered under a bargaining unit, shall be allowed to carry their seniority for the purpose of wages, benefits, vacation, holidays, sick leave, personal leave and funeral leave. Accrual of seniority upon transfer into another bargaining unit, for the purpose of hours of work, bidding and lay-off and recall, shall be based solely on the seniority an employee accrues in the bargaining unit into which he transfers from the initial date

of transfer, or hire into the respective bargaining unit. The City cannot force employees to transfer outside the bargaining unit.

ARTICLE 9
PAY DAY

Section 1: The City agrees to pay the employees on a bi-weekly basis every other Friday. All employees shall enroll in direct deposit. If technological error(s) occurs, the City will issue a manual check.

In the event the City acquires a new type of equipment, not presently operated by the City, the parties to this Agreement shall meet for the purpose of negotiating rates of pay and conditions for the operation of such equipment. Also subject to negotiations shall be the required number of employees to operate such new equipment.

Section 3: Standby Pay.

- A. Employees may be required to make themselves available to report to work immediately if called at times other than their regularly scheduled work hours. O & M Tech employees shall be offered by seniority on a weekly basis, to be on standby status. The employee on standby may be required to make themselves available to report to work immediately if called at times other than their regularly scheduled work hours. Such employees, when placed in standby status, will receive 9 hours standby pay per week, at the employee's applicable regular base rate of pay.
- B. When placed in standby status, it is the employee's responsibility to be able to immediately and effectively perform the required job duties. Voice contact must be established within fifteen (15) minutes of receiving a pager signal or telephone call, and the employee must arrive at the job site as soon as possible but no later than one (1) hour after receiving the pager signal or telephone call. An employee in standby status must remain in close geographical proximity and must not consume alcohol or other substance, which could impair his ability to perform job duties. If the employee fails to respond as described above to a call-in while in standby status

or fails to notify his supervisor or other designated individual that he is for any reason unable to carry out his standby responsibilities, he will forfeit the right to receive standby pay on that day and will be subject to disciplinary action.

- C. Assignment to standby status shall be by seniority as provided in paragraph A above. In the event an employee does not accept standby, then standby shall be offered by seniority to other O & M Tech employees.
- D. If the decision to require assignment of an employee to standby status shall be at the discretion of management, nothing herein shall be construed to guarantee the right to receive standby pay to any employee not placed in standby status. Any mistake made in the assignment of an employee to standby status, shall be corrected by making that employee whole for all wages lost due to such mistake.
- E. In the Working Leadman's absence, employees in classifications O & M Technicians may be requested in the event it would be necessary for the Crew Leader to call employees in the rotation call out list would be utilized.

ARTICLE 11

HOURS OF WORK, OVERTIME, CALL-INS

Section 1: Hours of Work. The normal hours of work for all employees shall be from 7:00 a.m. until 3:30 p.m. including a one-half (1/2) hour unpaid lunch period. If necessary to meet client or regulatory requirements, the City may notify the Union during the term of this Agreement that it wishes to reopen negotiations on hours of work as specified in this Paragraph only, and the parties shall bargain in good faith regarding a mutually satisfactory replacement provision for hours of work. If an employee or employees are assigned to an established shift, other than outlined above, they shall be paid a shift differential of \$1.00 (One Dollar) per hour in addition to their applicable hourly rate of pay. This shift differential shall be used in calculating overtime, holiday pay, vacation pay, etc.

Section 2: Overtime. Whenever necessary, the City can require employees to perform work during hours or days other than or beyond those falling within their regularly scheduled hours of work. At any time overtime is computed under the provisions of this Agreement, said overtime shall be compensated at one and one-half (1-1/2) times the employee's regular rate of pay as established under Article 10. Overtime will be paid for all hours worked in excess of eight (8) hours per day, and in excess of forty (40) hours per week. Paid holidays, vacation, sick leave and bereavement leave will be considered as time worked for purposes of calculating overtime pay. Nothing herein shall be construed to guarantee a minimum or maximum number of hours of work per day or per week to allow the pyramiding of overtime.

Section 3: Work Week. The workweek begins at 12:00 midnight between Saturday and Sunday and ends at 11:59 p.m. the following Saturday.

Section 4: Call-ins. Compensation for call-ins outside of an employee's normal work

If an employee works longer than two (2) hours, the employee will be paid at one and one-half (1 1/2) times his regular hourly rate for the hours actually worked during the call-in. If an employee is called in more than once between two (2) regularly scheduled shifts on consecutive days, the time worked on all such call-ins will be counted toward the two (2) hour minimum. An employee called in may be assigned additional regular duties to fill any time remaining in the two (2) hour period.

Section 5: Assignment of Overtime and Call-ins.

- A. Overtime, extending normal work hours up to two hours and is work anticipated to be completed within two hours provided that the most senior working employee is offered overtime first, shall be offered first to the employee with the highest seniority provided that nothing herein shall be construed as a waiver of the City's right to require overtime work when the needs of the City require it. In the event the senior employee is not available for the overtime assignment, the overtime shall be offered in turn to the employee with the next highest seniority. Probationary employees would not be subject to call-in or overtime assignment during the probationary period, unless the employer deems the probationary employee or employees qualified to perform the work that necessitated the call-in or overtime assignment. In the event more than 1 (one) probationary employee is deemed qualified to perform the work in question, then the call-in or overtime assignment shall be offered to the employee with the higher seniority.
- B. When overtime work is required, employees who are asked or instructed to perform such work will be given as much advance notice as is possible under the circumstances. Any mistake in the assignment of overtime shall be corrected by giving an employee who was missed the next available overtime opportunity. In no event shall the City be required to pay for overtime not worked.
- C. Call-ins shall be offered in order of seniority. In the event an employee is not available for a call-in, the call-in shall be offered in turn to the employee with the next highest seniority. Regular, full-time employees who, prior to April 1, 1993, were allowed a specific number of weeks of vacation greater than four weeks based upon their length of continuous service with the City shall in each calendar year during the term of this Agreement, be eligible for the number of weeks of vacation (either five or six) with pay at the employee's regular hourly rate of pay which the employee was eligible for prior to April 1, 1993.

For those employees their seniority date is their initial hire date with the City.

Vacations shall commence at the end of the employee's regular work week (Friday) of the

week preceding the employee's vacation period; however, in the event there is work to be performed on Saturday, the employee may work in line of his seniority at his own discretion.

Section 2: Vacation time is calculated by the calendar year and may be scheduled at any time between January 1 and December 31 of the calendar year, subject to the needs of the City and the approval of the department head. Each employee shall be credited with his vacation time for the completed years of service which he possesses on January 1 for that calendar year. Where the employee does not possess one (1) year of completed service on January 1 of the calendar year, the employee, upon completion of one full year of service with the City, shall be eligible for one (1) week of vacation time during the remainder of that calendar year. Where under the vacation schedule, an employee would become eligible for an additional week of vacation time because of his/her years of service (i.e. after five years, ten or fifteen years) after the start of the calendar year on January 1, the employee shall be eligible for the additional week of vacation time during the remainder of the calendar year after his anniversary date. If, at the anniversary date, there are less than 45 days left in the calendar year, then for that individual, the additional vacation time will be extended for a 90 day period beyond December 31.

Prior to April 1 of each calendar year, employees shall be entitled to schedule their vacation time in order of their department seniority. After April 1, vacation time may be scheduled at any available time, but more senior employees may not bump any less senior employee who previously scheduled his/her vacation time. The department head shall retain the right to determine the appropriate number of employees who may schedule vacation time during any particular period in order to insure adequate staffing provided employees are not denied vacation for arbitrary or capricious reasons. Further employees scheduling a weeks' vacation shall give at least one weeks' notice in writing, and for vacations of less than one (1) weeks duration forty-eight (48) hours' notice shall be given. Said notice is for the purpose of scheduling and isn't used to deny vacation. The City agrees to permit more than one employee to be on vacation at a time during the specified period provided it does not interfere with the efficient operation of the City. During the month of December, at least one employee will be allowed off at a time for vacation. However, provided that the notice provisions as described herein are adhered to, two (2) employees will be allowed off in December. Vacation time requested without the appropriate notice may only be taken upon mutual agreement between the employee and the City. Vacation time shall not be scheduled for periods of less than one calendar week without the approval of the department head, provided that employees eligible for more than two (2) weeks' vacation time may schedule their third week in one (1) day increments and the fourth week in one-half (1/2) day increments. Any vacation time not scheduled, and used, by December 31, shall be paid provided that any employee denied the opportunity to schedule all of his vacation time during the calendar year will be allowed to extend the vacation time for a ninety (90) day period beyond December 31.

Section 3: In determining the amount to be paid for said vacation pay, a normal forty (40) hour pay computed on the amount paid to the employee under Article 6 of this Agreement shall be used. The hourly rate of the employee's normal classification shall be used.

Employees who have worked less than fifty-two (52) weeks in the previous year will receive pro-rata vacation payments which will be computed on the basis of one-fifty-second (1/52) of the regular vacation pay for each week worked in the previous year. Weeks of vacation used in the previous year shall be considered weeks worked for this purpose.

Section 4: Upon separation from City employment for any reason, any employee eligible for vacation with pay shall be paid the monetary equivalent of any unused vacation benefits he had for that calendar year at his regular wage rate. For each completed week of service within the calendar year in which the employment separation occurs, the employee shall receive one-fifty-second (1/52 or .0192 percent) of the annual vacation pay the employee would be eligible to receive that calendar year in the employee's final paycheck. The employee may elect to have this amount deposited into an insurance premium account to pay City of Pekin group health insurance premiums after retirement until the account is diminished; such account shall not bear interest and shall expire upon depletion.

To establish written procedures for conducting urinalysis/toxicology tests of all City of Pekin employees who hold commercial drivers licenses (CDL) as a requirement for the job. Any such employee will be tested when there is a reasonable suspicion that the employee is under the influence of alcohol or using an unauthorized banned substance (i.e. controlled over-the-counter prescription medicines and illicit drugs). Employees shall also be subject to pre-placement, random, post-accident, follow-up and return to work drug and alcohol testing.

B. RESPONSIBILITIES

1. The City of Pekin is responsible for the implementation of this program.
2. The City of Pekin is responsible for the administration, audit and review of this program.
3. The City of Pekin and the Union are responsible for the selection of a laboratory testing facility and testing procedures. Laboratories will be NIDA-certified or CAP-accredited, as well as licensed by the State of Illinois, Department of Public Health. (Letter of approval will be provided by Methodist Hospital for testing physician)

5. Test kits will be approved by the City of Pekin, with consultation with the Union and such kits will be standardized. Purchasing and distribution of the blood and urine specimen kits will be the responsibility of the City of Pekin to avoid delays in getting the kits to the escorting supervisor. These kits shall be assigned to a responsible individual. The storage area for the kits must be secured and/or a record must be kept by the City of Pekin to account for the use or disposal of all kits. Any time a kit is damaged, destroyed, stolen or removed from the storage area inappropriately, the Union must immediately be advised in writing.

Collection site kits must be maintained as specified in the paragraph above unless an outside administrator is retained by the Employer, who will then be responsible for purchasing, distribution and maintenance of collection site kits at all designated facilities.

C. PRE-PLACEMENT TESTING

1. All employment applicants who will regularly or temporarily operate a vehicle pursuant to his/her commercial drivers license who have successfully completed the employment interview process shall be required to submit to Evidential Breath Testing (E.B.T.) for alcohol using devices approved by the National Highway Traffic Safety Administration as provided for in Section III of this Policy, Subsection 1, Alcohol Testing, and further provide a urine specimen as part of

his/her background investigation.

2. All applicants subject to testing shall be advised of the Employer's alcohol/drug testing requirements at the time of interview. An applicant subject to testing will not be employed if:
 - Test results are confirmed positive for banned substance usage.
 - He/she refuses to provide a urine specimen.
 - He/she refuses to submit to a Blood Alcohol Content test by E.B.T.
 - He/she attempts to tamper with or adulterate the specimen.
3. All applicants subject to testing shall sign a release and consent authorization form for the alcohol/drug test. This will release all information to the City of Pekin (and to the Union, should the employee desire such) and attest that the urine is his/her own. Refusal to sign this form will cause the applicant subject to testing to be advised that he/she is no longer under consideration for employment.
4. The applicant subject to testing shall be required to produce acceptable verification of his/her identity immediately prior to testing.
5. Chain-of-custody documentation for the specimen shall be maintained by the doctor, collection facility and/or laboratory from collection to analysis to destruction. The employing facility, bureau or division shall receive and retain the original chain-of-custody documentation. The testing laboratory will maintain control of all positive alcohol/drug tests for a period of not less than six (6) months, or indefinitely upon notification by the Employer in writing that appeal of the results has been initiated. Confidentiality will be maintained.
6. The specimen will be tested by an approved and qualified laboratory which has technical expertise and proficiency in alcohol and/or urine drug testing. A positive test reading will automatically call for a follow-up confirmation test using GC/MS techniques or similarly sensitive methodology. Cut-off levels for pre-placement physical examinations shall be as follows:

	<u>INITIAL DRUG SCREEN</u>	<u>CONFIRMATION TEST (GC/MS)</u>
Amphetamines	1000 ng/ml	500 ng/ml

Barbiturates	200 ng/ml	300 ng/ml
Benzodiazepines	300 ng/ml	300 ng/ml
Cocaine	300 ng/ml	150 ng/ml
Marijuana	50 ng/ml	15 ng/ml
Methadone	300 ng/ml	150 ng/ml
Methaqualone	300 ng/ml	300 ng/ml
Opiates	300 ng/ml	300 ng/ml
Phencyclidine ("PCP)	25 ng/ml	25 ng/ml

The following minimum level will be used for alcohol test: Alcohol 0.04% concentration (two EBT tests are required if first test is more than 0.04% concentration).

7. All applicants subject to testing shall be asked immediately prior to testing regarding prescription and over-the-counter drugs currently being used or used in the past thirty (30) days. Privacy of examination will be maintained, as will confidentiality. Documented proof of prescription medication may be required.
8. If the test is confirmed positive, the applicant subject to testing will be notified and will be given the opportunity to review and contest the results. Notice of an intent to review or contest must be provided, in writing, to the City of Pekin within ten (10) days.
9. Upon receipt of written notice of intent to review or contest results, the applicant subject to testing will be provided an opportunity to review and copy the laboratory report and all supporting documentation. The applicant subject to testing will be permitted to have an expert of his/her choice review such document within thirty (30) days of the notice of test results. The applicant subject to testing must submit in writing, any reasons challenging the test results.
10. Records concerning positive test results will be maintained confidentially in accordance with agency procedures governing background investigations.

D. REASONABLE SUSPICION

1. Reasonable suspicion exists if certain objective facts and circumstances warrant rational inferences that a person may be under the influence of alcohol or a banned substance. Illustrative, but not all-inclusive criteria of reasonable suspicion are (generally, a person under the influence exhibits a combination of such criteria.):
 - a. A pattern of abnormal conduct or erratic behavior; a dramatic decline in work performance.
 - b. Observation, such as direct observation of use and/or physical symptoms of being under the

influence of alcohol.

- c. Difficulty walking, slurred speech, needle marks, glazed stare.
 - d. Possession of alcohol or a banned substance.
2. If a Supervisor believes there is reasonable suspicion that an employee is under the influence of alcohol or a banned substance, he/she must confirm his/her suspicions with at least one other supervisory person. If those suspicions are confirmed, the employee will be notified that an EBT test and/or urine specimen will be required. The Supervisor's reasons for requesting a "reasonable suspicion" test shall be documented, and once confirmed as provided in 2(f) below, and provided the employee signs a written release, the confirmatory documentation shall be made available to the employee's bargaining agent. A bargaining unit employee may request a union representative to be present prior to the employee being escorted to the "drawing" facility, in a reasonable period of time. This period should not exceed one (1) hour in length. The bargaining agent is present, he/she will have time, not to exceed one-half (1/2) hour, to privately confer with the employee.
- a. The employee shall sign a release and consent authorization form for the alcohol/drug testing and information release to the City of Pekin, and if the employee desires, to the Union.
 - b. An employee's refusal to sign a release and consent authorization form and/or refusal to take the alcohol/drug test shall be treated the same as a positive result.
 - c. Chain-of-custody documentation for the specimen shall be maintained by the doctor, collection facility and/or laboratory from collection to analysis to destruction. A copy of all test results shall be forwarded to the Employer, marked "Confidential", sealed and confidentially maintained.
 - d. The specimen will be tested by an Employer/Union-approved and qualified laboratory which has technical expertise and proficiency in EBT alcohol testing and urinalysis in accordance with Section II(B)(3) of this policy. A positive test reading will automatically call for a follow-up confirmation test using (GC/MS) technique. The following cut-off levels will be utilized. Levels below those listed will be considered negative results. They shall be reported to the employee as such, and shall not be

retained in the employee's file.

	<u>INITIAL DRUG SCREEN</u>	<u>CONFIRMATION TEST (GC/MS)</u>
Amphetamines	1000 ng/ml	500 ng/ml
Barbiturates	300 ng/ml	300 ng/ml
Benzodiazepines	300 ng/ml	300 ng/ml
Cocaine	300 ng/ml	150 ng/ml
Marijuana	100 ng/ml	15 ng/ml
Methadone	300 ng/ml	150 ng/ml
Methaqualone	300 ng/ml	300 ng/ml
Opiates	300 ng/ml	300 ng/ml
Phencyclidine ("PCP")		
Emit	75 ng/ml	
RIA	25 ng/ml	25 ng/ml

The following minimum level will be used for blood tests: 0.04% concentration (two EBT tests are required if first test is more than 0.04% concentration).

- e. The employee shall advise the medical staff or the doctor, collection facility or lab taking the specimen of any prescription and/or over the counter drugs currently being used. Such information shall be collected and maintained as confidential.
- f. The employee will be escorted by the supervisor to a designated collection area/facility where a EBT and/or urine specimen will be taken by a medical professional only. The supervisor should document his/her reasons for suspicion prior to or simultaneously with requesting the alcohol/drug test. Provided a written release is then signed by the employee, a copy of the same shall be provided to the union representative at the time of the request for testing. If a written release has been signed by the employee, confirmatory documentation shall be made available to the employee's bargaining agent within a reasonable period of time, not to extend three (3) working days. The collection facility staff will secure the urine specimen in the sealed containers provided by the supervisor. Unless an outside contract administrator is retained by the Employer, the supervisor is to inspect the urine specimen kit to ensure that the seal has not been broken. Should the seal be broken or tampered with in any way, the supervisor will ask the collection facility to use one of their own specimen kits. Chain-of-custody documentation will be kept by the collection facility. The collection facility personnel, after securing his/her specimen, will seal the container(s) and transport it/them by

overnight express to the Employer-designated laboratory.

Should an occasion arise where a supervisor is short-handed and has no other personnel to assist in escorting an employee to the collection agency for alcohol/drug tests, when there is reasonable suspicion, the employee, during the employee's regular work hours, will be required to stay in his/her work area until he/she can be escorted to the collection facility for his/her alcohol/drug tests. The employee may be required to stay in his/her work area for up to an additional two (2) hours after his/her regular work hours (considered overtime) under the circumstances described above, if such is necessary to obtain a proper testing result. If an employee leaves the premises after being advised by his/her supervisor of the above, it shall be considered as insubordination, and as if the employee has refused to submit to the test, which is a violation of this policy. The violation shall be considered to be "just cause" and treated in the same manner as a positive test result.

- g. Upon completion of the test, the employee shall be transported to his/her residence. Under no circumstances shall an employee suspected of being under the influence of alcohol or using drugs be allowed to leave the worksite or the test site driving his/her own or an Employer vehicle.
- h. The employee shall remain in paid status until the results are received. If the test is confirmed positive, the employee will be notified and will be given the opportunity to present evidence and/or information that the positive test results was caused by prescribed or over-the-counter drugs, or that special circumstances may have affected the test results. All relevant information shall be forwarded by the employee directly to the Employer, marked "Confidential".
- i. Information regarding attempts to tamper with or adulterate the specimen, along with other pertinent information shall also be forwarded to the Employer.

III. RANDOM TESTING

Random alcohol and drug testing for those employees required to possess a commercial drivers license shall be conducted during working hours. Employees whose job requires a commercial drivers license will be tested according to this policy. The testing dates and times are unannounced and are with unpredictable frequency throughout the calendar year.

All tests will be administered by medically trained technicians and all results are confidential.

Employer officials will be made available to answer questions of the employees and/or Union with respect to this program.

1. Alcohol Testing

Random testing for blood alcohol content (BAC) will be required using evidential breath testing (EBT) devices approved by the National Highway Traffic Safety Administration. Two breath tests are required to determine if a person has a prohibited alcohol concentration. A screening test is conducted first. Any result less than 0.04% alcohol concentration is considered a negative test. If the alcohol concentration reaches 0.04% or greater, this is considered a positive test and the employee shall be disciplined according to the policy.

ALCOHOL TESTING RESULTS

* SCREENING TEST

Less than 0.04 = negative
Greater than or equal to 0.04, confirmed test required

* CONFIRMATION TEST

Less than 0.04 = negative

Greater than or equal to 0.04 = violation of the rule

2. Drug Testing

Random testing for drugs (as specified above) will be conducted using urinalysis. These samples are to be tested by an approved health and human services (HHS/NIDA) laboratory. Testing will be for evidence of marijuana, phencyclidine (PCP), opiate, amphetamine or cocaine use. A medical review officer (MRO) mutually selected by the City of Pekin and the Union will review all positive results. Any employee testing positive for drugs will be disciplined according to Employer policy.

IV. POST-ACCIDENT/INCIDENT

Post-accident drug/alcohol testing is required under the Federal Omnibus Transportation Employees Testing Act. Whenever a commercial motor vehicle driver is involved in an

accident, each surviving driver is required to be tested as follows:

1. Fatal Accidents:

Any time the accident involves the loss of human life.

2. Non-Fatal Accidents:

Any time the driver receives a citation under state or local law and personal injury is involved or his/her vehicle must be towed. Testing must be done as soon as possible following the accident: within two (2) hours for alcohol testing and within thirty-two (32) hours for drug testing.

V. RETURN-TO-WORK TESTING

Any employee found to have violated this policy will be required to undergo drug testing prior to returning to work. The results must be negative prior to returning to work.

VI. FOLLOW-UP TESTING

Any employee who has a positive test shall undergo random follow-up testing six (6) times over the next twelve (12) month period following his return to work.

VII. EMPLOYEE ASSISTANCE

The Employer fully supports the Employee Assistance Program and encourages employees who have an alcohol problem and/or are using unauthorized banned substances to seek the confidential services of the Employee Assistance Program at their work place. The Employee Assistance Program plays an important role by providing employees an opportunity to eliminate alcohol and drug use. Referrals can be made to appropriate treatment and rehabilitative facilities who will follow-up with individuals during his/her rehabilitation period to track his/her progress and encourage successful completion of the program, should treatment be required. All discussions with an EAP referral coordinator will be held in strict confidence. Participation in the Employee Assistance Program is not a substitute for discipline. While EAP is normally a voluntary program, anyone testing positive for alcohol or substance abuse under this policy is required to successfully complete a prescribed treatment program.

VIII. DISCIPLINARY ACTION FOR POSITIVE TEST RESULTS

Violations of this policy will be considered "just cause". If, as a result of the investigation and/or pre-disciplinary hearing, just cause is present, discipline shall be imposed

as follows (discipline is subject to grievance/arbitration procedure):

<u>Offense</u>	<u>Discipline</u>
First Offense	Discipline up to and including discharge; the specific level of discipline to be determined by the factors listed above. The City of Pekin recognizes that discharge or termination is the ultimate employment discipline and should be invoked only in the more egregious circumstances. When an employee is retained, discipline will include mandatory enrollment in the Employee Assistance Program, and periodic random drug testing for one year from the effective date of discipline.
Second Offense	30 calendar day suspension, employee shall use vacation or accumulated sick leave, mandatory enrollment in the Employee Assistance Program, return to work and periodic random alcohol/drug tests for one (1) year from the effective date of suspension.
Third Offense	Termination.

IX. TEST RESULTS

All test results and related documentation will be treated confidentially and shall not be utilized by the Employer for any purpose other than employment-related matters.

No test results shall be released to any other agency or to prospective employers of the employee, nor shall test results be released to any law enforcement agency, except pursuant to lawful subpoena or court order.

EMPLOYEE RIGHTS UNDER THE FAMILY AND MEDICAL LEAVE ACT

THE UNITED STATES DEPARTMENT OF LABOR WAGE AND HOUR DIVISION

LEAVE ENTITLEMENTS

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within 1 year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

ELIGIBILITY REQUIREMENTS

REQUESTING LEAVE

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

EMPLOYER RESPONSIBILITIES

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

ENFORCEMENT

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

YOUR RIGHTS UNDER USERRA

THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ☆ you ensure that your employer receives advance written or verbal notice of your service;
- ☆ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ☆ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ☆ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ☆ are a past or present member of the uniformed service;
- ☆ have applied for membership in the uniformed service; or
- ☆ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ☆ initial employment;
- ☆ reemployment;
- ☆ retention in employment;
- ☆ promotion; or
- ☆ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

HEALTH INSURANCE PROTECTION

- ☆ If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- ☆ Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

ENFORCEMENT

- ☆ The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- ☆ For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its website at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>.
- ☆ If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- ☆ You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances.
